(aa) The Company and each of the Material Subsidiaries owns or possesses all patents, trademarks, trademark registrations, service marks, service mark registrations, trade names, copyrights, licenses, inventions, trade secrets and rights described in the Time of Sale Prospectus and the Prospectus as being owned by any of them or necessary for the conduct of their respective businesses, and neither the Company nor any of the Material Subsidiaries is aware of any claim to the contrary or any challenge by any other person to the rights of the Company or any of the Material Subsidiaries with respect to such rights that, if determined adversely to the Company or any such Material Subsidiary, would individually or in the aggregate have a Material Adverse Effect.

(ee) Commencing with its taxable year ending December 31, 2014, the Company's proposed method of operation will enable it to meet the requirements for qualification and taxation as a REIT. The Company currently expects to elect to be taxed as a REIT under the Code for its taxable year ending December 31, 2014 and, to the extent such election is made, expects to continue to qualify as a REIT under the Code.

2. *Agreements to Sell and Purchase.* The Company hereby agrees to sell to the several Underwriters, and each Underwriter, upon the basis of the representations and warranties herein contained, but subject to the conditions hereinafter stated, agrees, severally and not jointly, to purchase from the Company at \$72.039 a share (the "**Purchase Price**") the number of Firm Shares set forth in Schedule I hereto opposite the name of such Underwriter.

On the basis of the representations and warranties contained in this Agreement, and subject to its terms and conditions, the Company agrees to sell to the Underwriters the Additional Shares, and the Underwriters shall have the right to purchase, severally and not jointly, up to 5,400,000 Additional Shares at the Purchase Price, provided, however, that the amount per share paid by the Underwriters for any Additional Shares shall be reduced by an amount per share

equal to any dividends declared by the Company and payable on the Firm Shares but not payable on such Additional Shares. The Managers may exercise this right on behalf of the Underwriters in whole or from time to time in part by giving written notice not later than 30 days after the date of this Agreement. Any exercise notice shall specify the number of Additional Shares to be purchased by the Underwriters and the date on which such shares are to be purchased. Each purchase date must be at least one business day after the written notice is given and may not be earlier than the closing date for the Firm Shares nor later than ten business days after the date of such notice. Additional Shares may be purchased as provided in Section 4 hereof. On each day, if any, that Additional Shares are to be purchased (an “**Option Closing Date**”), each Underwriter agrees, severally and not jointly, to purchase the number of Additional Shares (subject to such adjustments to eliminate fractional shares as you may determine) that bears the same proportion to the total number of Additional Shares to be purchased on such Option Closing Date as the number of Firm Shares set forth in Schedule I hereto opposite the name of such Underwriter bears to the total number of Firm Shares.

The Company also covenants with each Underwriter that, without the prior written consent of the Managers on behalf of the Underwriters, it will not, during the period ending 90 days after the date of the Prospectus, (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock or (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise or (3) file any registration statement with the Commission relating to the offering of any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock.

The restrictions contained in the preceding paragraph shall not apply to (a) the Common Stock to be sold hereunder, (b) the issuance by the Company of Common Stock upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof of which the Underwriters have been advised in writing or which has been disclosed in the Time of Sale Prospectus, (c) the issuance by the Company or any of its subsidiaries of equity awards pursuant to employee benefit plans described in the Time of Sale Prospectus, (d) the establishment of a trading plan pursuant to Rule 10b5-1 under the Exchange Act for the transfer of Common Stock, provided that (i) such plan does not provide for the transfer of Common Stock during the 90-day restricted period and (ii) to the extent a public announcement or filing under the Exchange Act, if any, is required of or voluntarily made by or on behalf of the Company regarding the establishment of such plan, such announcement or filing shall include a statement to the effect that no transfer of Common Stock may be made under such plan during the 90-day restricted period, (e) the filing of one or more registration statements on Form S-8 with the Commission with respect to the Common Stock issued or issuable under any employee benefit plan described in the Time of Sale Prospectus, (f) the issuance by the Company of 4.50% Mandatory Convertible Preferred Stock, Series A, par value \$0.01 per share (the “Preferred Stock”) and the issuance, if any, of Common Stock upon the conversion of any of the Preferred Stock or (g) the issuance of securities in connection with joint ventures, commercial relationships or other strategic transactions; *provided that*, in the case of this clause (g), (i) the aggregate

number of shares of the Common Stock to be issued in all such transactions referenced in this clause (g) does not exceed 10% of the outstanding Common Stock immediately following the offering and (ii) the recipient thereof enters into a lock-up agreement in the form of Exhibit A hereto with respect to the remaining 90-day restricted period.

3. *Public Offering.* The Company is advised by you that the Underwriters propose to make a public offering of their respective portions of the Shares as soon after the Registration Statement and this Agreement have become effective as in your judgment is advisable. The Company is further advised by you that the Shares are to be offered to the public upon the terms set forth in the Prospectus.

4. *Payment and Delivery.* Payment for the Firm Shares shall be made to the Company in Federal or other funds immediately available in New York City against delivery of such Firm Shares for the respective accounts of the several Underwriters at 10:00 a.m., New York City time, on October 28, 2013, or at such other time on the same or such other date, not later than November 4, 2013, as shall be designated in writing by you. The time and date of such payment are hereinafter referred to as the “**Closing Date.**”

Payment for any Additional Shares shall be made to the Company in Federal or other funds immediately available in New York City against delivery of such Additional Shares for the respective accounts of the several Underwriters at 10:00 a.m., New York City time, on the date specified in the corresponding notice described in Section 2 or at such other time on the same or on such other date, in any event not later than December 5, 2013, as shall be designated in writing by the Managers.

The Firm Shares and Additional Shares shall be registered in such names and in such denominations as you shall request in writing not later than one full business day prior to the Closing Date or the applicable Option Closing Date, as the case may be. The Firm Shares and Additional Shares shall be delivered to you on the Closing Date or an Option Closing Date, as the case may be, for the respective accounts of the several Underwriters, with any transfer taxes payable in connection with the transfer of the Shares to the Underwriters duly paid, against payment of the Purchase Price therefor.

5. *Conditions.* (I) The obligations of the Company to sell the Shares to the Underwriters and the several obligations of the Underwriters to purchase and pay for the Shares on the Closing Date are subject to the condition that the Prospectus, as amended or supplemented, in relation to the Shares, shall have been filed with the Commission pursuant to Rule 424(b) within the applicable time period described for such filing by the rules and regulations under the Securities Act; as of the Closing Date and each Option Closing Date, no stop order suspending the effectiveness of the Registration Statement shall be in effect or shall be pending or, to the knowledge of the Company, threatened by the Commission.

The several obligations of the Underwriters are subject to the following further conditions:

- (a) Subsequent to the execution and delivery of this Agreement and prior to the Closing Date:

(i) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any of the securities of the Company or any of its subsidiaries by any “nationally recognized statistical rating organization,” as such term is defined for purposes of Section 3(a)(62) under the Exchange Act; and

(ii) there shall not have occurred any change, or any development involving a prospective change, in the condition, financial or otherwise, or in the earnings, business or operations of the Company and its subsidiaries, taken as a whole, from that set forth in the Time of Sale Prospectus as of the date of this Agreement that, in your judgment, is material and adverse and that makes it, in your judgment, impracticable to market the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus.

(b) The Underwriters shall have received on the Closing Date a certificate, dated the Closing Date and signed by an executive officer of the Company, to the effect set forth in Section 5(I)(a)(i) above and to the effect that the representations and warranties of the Company contained in this Agreement are true and correct as of the Closing Date and that the Company has complied with all of the agreements and satisfied all of the conditions on its part to be performed or satisfied hereunder on or before the Closing Date.

Any officer signing and delivering such certificate may rely upon the best of his or her knowledge as to proceedings threatened.

(c) The Underwriters shall have received on the Closing Date an opinion of Cravath, Swaine & Moore LLP, outside counsel for the Company, dated the Closing Date, in form and substance reasonably acceptable to the Underwriters.

(g) The “lock-up” agreements, each substantially in the form of Exhibit A hereto, between you and the officers and directors of the Company listed in Exhibit B hereto relating to

sales and certain other dispositions of shares of Common Stock or certain other securities, delivered to you on or before the date hereof, shall be in full force and effect on the Closing Date.

(h) The Shares shall have been approved for listing on the New York Stock Exchange (“**NYSE**”), subject only to official notice of issuance.

(II) The several obligations of the Underwriters to purchase Additional Shares hereunder are subject to the delivery to you on the applicable Option Closing Date of the following:

(a) a certificate, dated the Option Closing Date and signed by an executive officer of the Company, confirming that the certificate delivered on the Closing Date pursuant to Section 5(I)(b) hereof remains true and correct as of such Option Closing Date;

(e) a letter dated the Option Closing Date, in form and substance satisfactory to the Underwriters, from each of KPMG LLP and PricewaterhouseCoopers LLP, independent public accountants, substantially in the same form and substance as the letter furnished to the Underwriters pursuant to Section 5(I)(f) hereof; provided that the letter delivered on the Option Closing Date shall use a “cut-off date” not earlier than three business days prior to such Option Closing Date;

(f) such other documents as you may reasonably request with respect to the good standing of the Company, the due authorization and issuance of the Additional Shares to be sold on such Option Closing Date and other matters related to the issuance of such Additional Shares; and

(g) The representations and warranties of the Company contained herein shall be true and correct on and as of the Option Closing Date.

6. *Covenants of the Company.* The Company covenants with each Underwriter as follows:

(a) To furnish to you, without charge, a signed copy of the Registration Statement (including exhibits thereto and documents incorporated by reference therein) and to deliver to each of the Underwriters during the period mentioned in Section 6(e) or 6(f) below, as many copies of the Time of Sale Prospectus, the Prospectus, any documents incorporated by reference therein and any supplements and amendments thereto or to the Registration Statement as you may reasonably request.

(b) Prior to the completion of this offering, before amending or supplementing the Registration Statement, the Time of Sale Prospectus or the Prospectus, to furnish to you a copy of each such proposed amendment or supplement and not to file any such proposed amendment or supplement to which you reasonably object promptly after receipt thereof, and to file with the Commission within the applicable period specified in Rule 424(b) under the Securities Act any prospectus required to be filed pursuant to such Rule.

(c) To furnish to you a copy of each proposed free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Company and not to use or refer to any proposed free writing prospectus to which you reasonably object, provided that, if in the reasonable opinion of counsel for the Company, any such amendment or supplement shall be required by law or regulation to be used, that the Company shall be permitted to file such amendment or supplement after taking into account such comments as you may reasonably make on the content, form or other aspects of such amendment or supplement.

(d) Not to take any action that would result in an Underwriter being required to file with the Commission pursuant to Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of the Underwriter that the Underwriter otherwise would not have been required to file thereunder.

(e) If the Time of Sale Prospectus is being used to solicit offers to buy the Shares at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus in order to make the statements therein, in the light of the circumstances, not misleading, or if any event shall occur or condition exist as a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement then on file, or if, in the reasonable opinion of counsel for the Underwriters, it is necessary to amend or supplement the Time of Sale Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses you will furnish to the Company) to which Shares may have been sold by you on behalf of the Underwriters, either amendments or supplements to the Time of Sale Prospectus so that the statements in the Time of Sale Prospectus as so amended or supplemented will not, in the light of the circumstances when the Time of Sale Prospectus is delivered to a prospective purchaser, be misleading or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with applicable law.

(f) If, during such period after the first date of the public offering of the Shares as in the reasonable opinion of counsel for the Underwriters, the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is required by law to be delivered in connection with sales by an Underwriter or dealer, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading, or if, in the reasonable opinion of counsel for the Underwriters, it is necessary to amend or supplement the Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses you will furnish to the Company) to which Shares may have been sold by you on behalf of the Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law.

(g) To endeavor to qualify the Shares for offer and sale under the securities or Blue Sky laws of such jurisdictions as you shall reasonably request; *provided* that the Company shall not be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction where it is not presently qualified or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(j) If the third anniversary of the initial effective date of the Registration Statement occurs before all the Shares have been sold by the Underwriters, prior to the third anniversary to file a new shelf registration statement and to take any other action necessary to permit the public offering of the Shares to continue without interruption; references herein to the Registration Statement shall include the new registration statement declared effective by the Commission.

(k) If requested by the Managers, to prepare a final term sheet relating to the offering of the Shares, containing only information that describes the final terms of the Shares or the offering in a form consented to by the Managers, and to file such final term sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date the final terms have been established for the offering of the Shares.

(l) To not take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of Shares.

(m) To use its commercially reasonable efforts to list the Shares, subject to official notice of issuance.

7. *Expenses.* Whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, the Company agrees to pay or cause to be paid all reasonable expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company's counsel and the Company's accountants in connection with the registration and delivery of the Shares under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, including the filing fees payable to the Commission relating to the Shares (within the time required by Rule 456 (b)(1), if applicable), all printing costs associated therewith, and the mailing and delivering of copies thereof to the Underwriters and dealers, in the quantities hereinabove specified, (ii) all costs and expenses related to the transfer and delivery of the Shares to the Underwriters, including any transfer or other taxes payable thereon, (iii) the cost of printing or producing any Blue Sky or legal investment memorandum in connection with the offer and sale of the Shares under state securities laws and all expenses in connection with the qualification of the Shares for offer and sale under state securities laws as provided in Section 6(g) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky or legal investment memorandum, (iv) all filing fees and the reasonable fees and disbursements of counsel to the Underwriters incurred in connection with the review and qualification of the offering of the Shares by the Financial Industry Regulatory Authority, (v) all costs and expenses incident to listing the Shares on the NYSE, (vi) the cost of, if any, printing certificates representing the Shares, (vii) the costs and charges of any transfer agent, registrar or depository, (viii) the costs and expenses of the Company relating to investor presentations on any "road show" undertaken in connection with the marketing of the offering of the Shares, including, without limitation, expenses associated with the preparation or dissemination of any electronic road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations with the prior approval of the Company, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of any aircraft chartered in connection with the road show, (ix) the document production charges and expenses associated with printing this Agreement, (x) all expenses in connection with any offer and sale of the Shares outside of the United States, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection with offers and sales outside of the United States and (xi) all other costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. 8. *Covenants of the Underwriters.* Each Underwriter severally covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of such Underwriter that otherwise would not be required to be filed by the Company thereunder, but for the action of the Underwriter.

9. *Indemnity and Contribution.* (a) The Company agrees to indemnify and hold harmless each Underwriter, each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act and each affiliate of any Underwriter within the meaning of Rule 405 under the Securities Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereto, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act or the Prospectus or any amendment or supplement thereto, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to any Underwriter furnished to the Company in writing by such Underwriter through you expressly for use therein, it being understood and agreed that the only such information furnished by the Underwriters consists of the information described in clause (b) below.

(b) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, the directors of the Company, the officers of the Company who sign the Registration Statement and each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereto, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act, or the Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only with reference to information relating to such Underwriter furnished to the Company in writing by such Underwriter through you expressly for use in the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus or the Prospectus or any amendment or supplement thereto, it being understood and agreed that the only such information furnished by any Underwriter consists of the information in the third, ninth, eleventh and twelfth paragraphs of the Underwriting section in the preliminary prospectus and the Prospectus.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 9(a) or 9(b), such person (the “**indemnified party**”) shall promptly notify the person against whom such indemnity may be sought (the “**indemnifying party**”) in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for (i) the fees and expenses of more than one separate firm (in addition to one local counsel in each jurisdiction) for all Underwriters and all persons, if any, who control any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act or who are affiliates of any Underwriter within the meaning of Rule 405 under the Securities Act and (ii) the fees and expenses of more than one separate firm (in addition to one local counsel in each jurisdiction) for the Company, its directors, its officers who sign the Registration Statement and each person, if any, who controls the Company within the meaning of either such Section, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Underwriters and such control persons and affiliates of any Underwriters, such firm shall be designated in writing by Morgan Stanley & Co. LLC. In the case of any such separate firm for the Company, and such directors, officers and control persons of the Company, such firm shall be designated in writing by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless (i) such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) To the extent the indemnification provided for in Section 9(a) or 9(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Shares or (ii) if the allocation provided by clause 9(d)(i) above is not permitted by applicable law, in such proportion

as is appropriate to reflect not only the relative benefits referred to in clause 9(d)(i) above but also the relative fault of the Company on the one hand and of the Underwriters on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of the Shares shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Shares (before deducting expenses) received by the Company and the total underwriting discounts and commissions received by the Underwriters bear to the aggregate price at which the Shares are offered to the public, as set forth in the Prospectus. The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Underwriters' respective obligations to contribute pursuant to this Section 9 are several in proportion to the respective number of Shares they have purchased hereunder, and not joint.

(e) The Company and the Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 9(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 9 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 9 and the representations, warranties and other statements of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Underwriter, any person controlling any Underwriter or any affiliate of any Underwriter or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Shares.

10. *Termination.* The Underwriters may terminate this Agreement by notice given by you to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as

the case may be, any of the NYSE or the NASDAQ Global Market, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal or New York State authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets or any calamity or crisis that, in your judgment, is material and adverse and which, singly or together with any other event specified in this clause (v), makes it, in your judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus.

11. *Effectiveness; Defaulting Underwriters.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

If, on the Closing Date or an Option Closing Date, as the case may be, any one or more of the Underwriters shall fail or refuse to purchase Shares that it has or they have agreed to purchase hereunder on such date, and the aggregate number of Shares which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the Shares to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the number of Firm Shares set forth opposite their respective names in Schedule I bears to the aggregate number of Firm Shares set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as you may specify, to purchase the Shares which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date; *provided* that in no event shall the number of Shares that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 11 by an amount in excess of one-ninth of such number of Shares without the written consent of such Underwriter. If, on the Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Firm Shares which it or they have agreed to purchase hereunder on such date and the aggregate number of Firm Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Firm Shares to be purchased on such date, and arrangements satisfactory to you and the Company for the purchase of such Firm Shares are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case either you or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Time of Sale Prospectus, in the Prospectus or in any other documents or arrangements may be effected. If, on an Option Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Additional Shares and the aggregate number of Additional Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Additional Shares to be purchased on such Option Closing Date, the non-defaulting Underwriters shall have the option to (i) terminate their obligation hereunder to purchase the Additional Shares to be sold on such Option Closing Date or (ii) purchase not less than the number of Additional Shares that such non-defaulting Underwriters would have been obligated to purchase in the absence of such default. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

If this Agreement shall be terminated by the Underwriters, or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement, the Company will reimburse the Underwriters or such Underwriters as have so terminated this Agreement with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with this Agreement or the offering contemplated hereunder.

12. *Entire Agreement.* (a) This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Shares, represents the entire agreement between the Company and the Underwriters with respect to the preparation of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the Shares.

(b) The Company acknowledges that in connection with the offering of the Shares: (i) the Underwriters have acted at arm's length, are not agents of, and owe no fiduciary duties to, the Company or any other person, (ii) the Underwriters owe the Company only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the Underwriters may have interests that differ from those of the Company. The Company waives to the full extent permitted by applicable law any claims it may have against the Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the Shares.

13. *Counterparts.* This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

14. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

15. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

16. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriters shall be delivered, mailed or sent to you at the address set forth in Schedule II hereto; and if to the Company shall be delivered, mailed or sent to the address set forth in Schedule II hereto.

Ladies and Gentlemen:

Crown Castle International Corp., a Delaware corporation (the “**Company**”), proposes to issue and sell to the several underwriters named in Schedule I hereto (the “**Underwriters**”), for whom you are acting as managers (the “**Managers**”), 8,500,000 shares of its 4.50% Mandatory Convertible Preferred Stock, Series A, par value \$0.01 per share (the “**Firm Shares**”). The Company also proposes to issue and sell to the several Underwriters not more than an additional 1,275,000 shares of its 4.50% Mandatory Convertible Preferred Stock, Series A, par value \$0.01 per share (the “**Additional Shares**”), if and to the extent that you, as Managers of the offering, shall have determined to exercise, on behalf of the Underwriters, the right to purchase such shares granted to the Underwriters in Section 2 hereof. The Firm Shares and the Additional Shares are hereinafter collectively referred to as the “**Shares**.” The 4.50% Mandatory Convertible Preferred Stock, Series A, par value \$0.01 per share, of the Company are hereinafter referred to as the “**Preferred Shares**.” The Preferred Shares will be convertible into a variable number of shares of common stock, par value \$0.01 per share, of the Company. Such shares of common stock into which the Shares are convertible are hereinafter referred to as the “**Conversion Shares**” and the shares of common stock, par value \$0.01 per share, generally, of the Company are hereinafter referred to as “**Common Stock**.”

The terms of the Preferred Shares will be set forth in a Certificate of Designations (the “**Certificate of Designations**”) to be filed by the Company with the Secretary of State of the State of Delaware.

The Company has filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement, including a prospectus, on Form S-3 (No. 333-180526), relating to the securities (the “**Shelf Securities**”), including the Shares, to be issued from time to time thereunder by the Company. The registration statement, as amended to the date of this Agreement, including the information (if any) deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430A or Rule 430B under the Securities Act of 1933,

as amended (the “**Securities Act**”), is hereinafter referred to as the “**Registration Statement**,” and the related prospectus covering the Shelf Securities dated April 3, 2012, in the form first used to confirm sales of the Shares (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the Securities Act) is hereinafter referred to as the “**Basic Prospectus**.” The Basic Prospectus, as supplemented by the prospectus supplement specifically relating to the Shares in the form first used to confirm sales of the Shares (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the Securities Act) is hereinafter referred to as the “**Prospectus**,” and the term “**preliminary prospectus**” means any preliminary form of the Prospectus. For purposes of this Agreement, “**free writing prospectus**” has the meaning set forth in Rule 405 under the Securities Act, “**Time of Sale Prospectus**” means the documents set forth opposite the caption “Time of Sale Prospectus” in Schedule II hereto and the pricing information, if any, set forth in Schedule II-A hereto, and “**broadly available road show**” means a “bona fide electronic road show” as defined in Rule 433(h)(5) under the Securities Act that has been made available without restriction to any person. As used herein, the terms “Registration Statement,” “Basic Prospectus,” “preliminary prospectus,” “Time of Sale Prospectus” and “Prospectus” shall include the documents, if any, incorporated by reference therein. The terms “**supplement**,” “**amendment**,” and “**amend**” as used herein with respect to the Registration Statement, the Basic Prospectus, the Time of Sale Prospectus, any preliminary prospectus, any free writing prospectus or the Prospectus shall include all documents subsequently filed by the Company with the Commission pursuant to the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), that are deemed to be incorporated by reference therein. “**Applicable Time**” means 5:25 p.m., New York City time, on October 22, 2013.

1. *Representations and Warranties of the Company.* The Company represents and warrants to and agrees with each of the Underwriters that:

(a) The Registration Statement has become effective; no stop order suspending the effectiveness of the Registration Statement is in effect, and no proceedings for such purpose are pending before or, to the knowledge of the Company, threatened by the Commission. The Registration Statement is an automatic shelf registration statement as defined in Rule 405 under the Securities Act, and the Company is a well-known seasoned issuer (as defined in Rule 405 under the Securities Act) eligible to use the Registration Statement as an automatic shelf registration statement, and the Company has not received notice that the Commission objects to the use of the Registration Statement as an automatic shelf registration statement.

(b) (i) Each document, if any, filed or to be filed pursuant to the Exchange Act and incorporated by reference in the Time of Sale Prospectus or the Prospectus complied or will comply when so filed in all material respects with the Exchange Act and the applicable rules and regulations of the Commission thereunder, (ii) each part of the Registration Statement, when such part became effective, did not contain, and each such part, as amended or supplemented, if applicable, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (iii) the Registration Statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (iv) the Registration Statement, as of the date hereof, complies, and the Prospectus, as of its date, will comply, and the Registration Statement and the Prospectus, as amended or

supplemented, if applicable, will comply, as of the Closing Date (as defined in Section 4), in all material respects with the Securities Act and the applicable rules and regulations of the Commission thereunder, (v) the Time of Sale Prospectus does not, and at the time of each sale of the Shares in connection with the offering when the Prospectus is not yet available to prospective purchasers and at the Closing Date, the Time of Sale Prospectus, as then amended or supplemented by the Company, if applicable, will not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, (vi) each broadly available road show, if any, when considered together with the Time of Sale Prospectus, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading and (vii) the Prospectus, as of its date, will not contain and, as amended or supplemented, if applicable, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that the representations and warranties set forth in this paragraph do not apply to statements or omissions in the Registration Statement, the Time of Sale Prospectus or the Prospectus based upon information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Managers expressly for use therein.

(c) The Company is not an “ineligible issuer” in connection with the offering pursuant to Rules 164, 405 and 433 under the Securities Act. Any free writing prospectus that the Company is required to file pursuant to Rule 433(d) under the Securities Act has been, or will be, filed with the Commission in accordance with the requirements of the Securities Act and the applicable rules and regulations of the Commission thereunder. Each free writing prospectus that the Company has filed, or is required to file, in connection with the offering of Shares pursuant to Rule 433(d) under the Securities Act or that was prepared by or on behalf of or used or referred to by the Company complies, or will comply, in all material respects with the requirements of the Securities Act and the applicable rules and regulations of the Commission thereunder. Except for the free writing prospectuses, if any, identified in Schedule II hereto forming part of the Time of Sale Prospectus, and electronic road shows, if any, each furnished to you before first use, the Company has not prepared, used or referred to, and will not, without your prior consent, prepare, use or refer to, any free writing prospectus.

(d) Neither the Company nor any of its subsidiaries has sustained, since the date of the latest audited financial statements incorporated by reference into the Registration Statement, the Time of Sale Prospectus or the Prospectus, any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Time of Sale Prospectus and the Prospectus or as would not reasonably be expected, in the aggregate, to result in a Material Adverse Effect (as defined below); and, since the respective dates as of which information is given in the Time of Sale Prospectus and the Prospectus, there has not been any change in the capital stock or long-term debt of the Company or any of its subsidiaries or any material adverse change, or any development involving a prospective material adverse change, except such as are described in the Time of Sale Prospectus and the Prospectus or such as would not be reasonably expected, in the aggregate, to result in a material adverse effect on the condition (financial or other), business, properties or results of operations of the Company and the Material Subsidiaries (as defined below), taken as a whole (a

“**Material Adverse Effect**”). As of the date hereof, each subsidiary of the Company that constitutes a “**significant subsidiary**,” as such term is defined in Rule 405 of the rules and regulations under the Securities Act, is a “**Material Subsidiary**” and, collectively, comprise the “**Material Subsidiaries**.”

(e) (i) The Company and each of its subsidiaries have (1) good and marketable fee or leasehold title, as applicable, to all real property owned or leased by them and (2) good and marketable title to all personal property owned by them; and (ii) any other personal property leased or held by the Company or any of its subsidiaries pursuant to any licenses, easements, management agreements, other contracts or occupancy agreements or otherwise is leased or held under valid, subsisting and enforceable agreements, in each case free and clear of all liens, encumbrances and defects except such as are described in the Time of Sale Prospectus and the Prospectus or would not reasonably be expected, in the aggregate, to have a Material Adverse Effect.

(f) The Company is a corporation duly incorporated and validly existing and in good standing under the laws of the State of Delaware with all requisite corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Time of Sale Prospectus and the Prospectus, and is duly registered and qualified to conduct its business and is in good standing in each jurisdiction or place where the nature of its properties or the conduct of its business requires such registration or qualification, except where the failure so to register or qualify or to be in good standing would not have a Material Adverse Effect; and each Material Subsidiary of the Company has been duly incorporated or formed, as the case may be, and is validly existing as a corporation, limited partnership, limited liability company or other legal entity in good standing or the equivalent under the laws of its jurisdiction of incorporation or formation, as the case may be.

(g) The Company has an authorized capitalization as set forth in the Time of Sale Prospectus and the Prospectus, and all the shares of Common Stock outstanding prior to the issuance of the Shares have been duly authorized and are validly issued, fully paid and non-assessable, and conform to the description of the Common Stock contained in the Time of Sale Prospectus and the Prospectus; and all of the issued shares of capital stock of each Material Subsidiary of the Company have been duly and validly authorized and issued, are fully paid and non-assessable and are owned directly or indirectly by the Company, free and clear of all liens, encumbrances, equities or claims, except as set forth in the Time of Sale Prospectus and the Prospectus.

(h) Neither the Company nor any of its subsidiaries, nor, to the knowledge of the Company, any of their respective affiliates, has taken any action which is designed to or which has constituted or which might have been reasonably expected to cause or result in stabilization or manipulation of the price of any security of the Company in connection with the offering of the Shares.

(i) No “nationally recognized statistical rating organization” (as such term is defined for purposes of Section 3(a)(62) under the Exchange Act) has imposed any condition (financial or otherwise) on the Company or any of its subsidiaries relating to any rating assigned to the Company or any such subsidiary or to any securities of the Company or any such subsidiary.

(j) The Certificate of Designations, the proposed form of which has been furnished to you, has been duly authorized by the Company and will have been duly executed and delivered by the Company and duly filed with the Secretary of State of the State of Delaware on or prior to the Closing Date. The Certificate of Designations sets forth the rights, powers, preferences and designations of the Shares.

(k) The Shares have been duly authorized and, when issued and delivered in accordance with the terms of this Agreement, will be validly issued, fully paid and non-assessable and will have the rights, powers, preferences and designations as set forth in the Certificate of Designations, and the issuance of such Shares will not be subject to any preemptive or similar rights.

(l) The form of certificate used to evidence the Shares complies in all material respects with all applicable requirements of the law of the State of Delaware, the New York Stock Exchange (the “NYSE”) and the Company’s certificate of incorporation and by-laws, and has been duly authorized and approved by the board of directors of the Company.

(m) The Shares will be convertible into the Conversion Shares in accordance with the terms of the Preferred Shares set forth in the Certificate of Designations; a number of Conversion Shares (the “**Maximum Number of Conversion Shares**”) equal to the product of (A) the sum of (i) a number of shares of Common Stock equal to the maximum conversion rate for the Preferred Shares and (ii) to the extent so elected by the Company in connection with any such conversion, the number of shares of Common Stock deliverable by the Company upon conversion in respect of dividends payable upon conversion of the Shares (whether or not declared) (assuming the Company elects to issue and deliver, in respect of accumulated and unpaid dividends (whether or not declared), the maximum number of shares of Common Stock in connection with any such conversion), multiplied by (B) the aggregate number of Shares, in each case in accordance with the terms of the Certificate of Designations, has been and will be duly authorized and reserved for issuance by the Company and such Conversion Shares, when issued upon such conversion or delivery (as the case may be) in accordance with the terms of the Preferred Shares set forth in the Certificate of Designations, will be validly issued, fully paid and non-assessable, will conform in all material respects to the descriptions thereof in the Time of Sale Prospectus and the Prospectus and will not be subject to any preemptive or similar rights.

(n) The execution and delivery by the Company of, and the performance by the Company of its obligations under, this Agreement and the Certificate of Designations, including the issuance and sale of the Shares and the issuance of a number of Conversion Shares equal to the Maximum Number of Conversion Shares issuable by the Company in accordance with the terms of the Certificate of Designations, will not conflict with, or result in a breach or violation of, any of the terms or provisions of or, with the giving of notice or the lapse of time or both, constitute a default under (A) any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (B) the provisions of the charter, by-laws or other constitutive documents of the Company or any of its subsidiaries or (C) any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties or assets except in the cases of

clause (A) or (C), such breaches, violations or defaults that in the aggregate would not have a Material Adverse Effect; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the performance by the Company of its obligations under this Agreement and the Certificate of Designations, including the issuance and sale of the Shares and the issuance of a number of Conversion Shares equal to the Maximum Number of Conversion Shares issuable by the Company in accordance with the terms of the Certificate of Designations, except where the failure to obtain or make such consents, approvals, authorizations, registrations or qualifications would not, individually or in the aggregate, have a Material Adverse Effect.

(d) Not to take any action that would result in an Underwriter being required to file with the Commission pursuant to Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of the Underwriter that the Underwriter otherwise would not have been required to file thereunder.

(e) If the Time of Sale Prospectus is being used to solicit offers to buy the Shares at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus in order to make the statements therein, in the light of the circumstances, not misleading, or if any event shall occur or condition exist as a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement then on file, or if, in the reasonable opinion of counsel for the Underwriters, it is necessary to amend or

supplement the Time of Sale Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses you will furnish to the Company) to which Shares may have been sold by you on behalf of the Underwriters, either amendments or supplements to the Time of Sale Prospectus so that the statements in the Time of Sale Prospectus as so amended or supplemented will not, in the light of the circumstances when the Time of Sale Prospectus is delivered to a prospective purchaser, be misleading or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with applicable law.

(f) If, during such period after the first date of the public offering of the Shares as in the reasonable opinion of counsel for the Underwriters, the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is required by law to be delivered in connection with sales by an Underwriter or dealer, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading, or if, in the reasonable opinion of counsel for the Underwriters, it is necessary to amend or supplement the Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses you will furnish to the Company) to which Shares may have been sold by you on behalf of the Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law.

(g) To endeavor to qualify the Shares for offer and sale under the securities or Blue Sky laws of such jurisdictions as you shall reasonably request; *provided* that the Company shall not be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction where it is not presently qualified or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(h) To apply the net proceeds from the sale of the Shares as described in each of the Time of Sale Prospectus and the Prospectus under the heading "Use of Proceeds."

(i) To make generally available to the Company's security holders and to you as soon as practicable an earnings statement covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement which shall satisfy the provisions of Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder.

(j) If the third anniversary of the initial effective date of the Registration Statement occurs before all the Shares have been sold by the Underwriters, prior to the third anniversary to file a new shelf registration statement and to take any other action necessary to permit the public

offering of the Shares to continue without interruption; references herein to the Registration Statement shall include the new registration statement declared effective by the Commission.

(k) If requested by the Managers, to prepare a final term sheet relating to the offering of the Shares, containing only information that describes the final terms of the Shares or the offering in a form consented to by the Managers, and to file such final term sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date the final terms have been established for the offering of the Shares.

(l) To not take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of Shares.

(m) To use its commercially reasonable efforts to list the Shares and a number of Conversion Shares equal to the Maximum Number of Conversion Shares on the NYSE, subject to official notice of issuance.

(n) To reserve and keep available at all times during the period from and including the Closing Date through and including October 1, 2016, free of preemptive or similar rights, a number of Conversion Shares equal to the Maximum Number of Conversion Shares less the aggregate number of Conversion Shares issued in connection with the conversion of Preferred Shares during such period.

(o) During the period from and including the date hereof through and including the earlier of (a) the purchase by the Underwriters of all of the Additional Shares and (b) the expiration of the Underwriters' option to purchase Additional Shares, not to do or authorize or cause any act or thing that would result in an adjustment of the conversion rate of the Preferred Shares.

7. *Expenses.* Whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, the Company agrees to pay or cause to be paid all reasonable expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company's counsel and the Company's accountants in connection with the registration and delivery of the Shares under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, including the filing fees payable to the Commission relating to the Shares (within the time required by Rule 456 (b)(1), if applicable), all printing costs associated therewith, and the mailing and delivering of copies thereof to the Underwriters and dealers, in the quantities hereinabove specified, (ii) all costs and expenses related to the transfer and delivery of the Shares to the Underwriters, including any transfer or other taxes payable thereon, (iii) the cost of printing or producing any Blue Sky or legal investment memorandum in connection with the offer and sale of the Shares under state securities laws and all expenses in connection with the qualification of the Shares for offer and sale under state securities laws as provided in Section 6(g) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky or legal investment memorandum, (iv) all

filing fees and the reasonable fees and disbursements of counsel to the Underwriters incurred in connection with the review and qualification of the offering of the Shares by the Financial Industry Regulatory Authority, (v) all fees and expenses in connection with the preparation and filing of the registration statement on Form 8-A relating to the Preferred Shares, if applicable, and all costs and expenses incident to listing the Shares and the Conversion Shares on the NYSE, (vi) the cost of, if any, printing certificates representing the Shares and the Conversion Shares, (vii) the costs and charges of any transfer agent, registrar or depository, (viii) the costs and expenses of the Company relating to investor presentations on any “road show” undertaken in connection with the marketing of the offering of the Shares, including, without limitation, expenses associated with the preparation or dissemination of any electronic road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations with the prior approval of the Company, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of any aircraft chartered in connection with the road show, (ix) the document production charges and expenses associated with printing this Agreement, (x) all expenses in connection with any offer and sale of the Shares outside of the United States, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection with offers and sales outside of the United States and (xi) all other costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. It is understood, however, that except as provided in this Section, Section 9 entitled “Indemnity and Contribution,” and the last paragraph of Section 11 below, the Underwriters will pay all of their costs and expenses, including fees and disbursements of their counsel, stock transfer taxes payable on resale of any of the Shares by them and any advertising expenses connected with any offers they may make.

8. *Covenants of the Underwriters.* Each Underwriter severally covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of such Underwriter that otherwise would not be required to be filed by the Company thereunder, but for the action of the Underwriter.

9. *Indemnity and Contribution.* (a) The Company agrees to indemnify and hold harmless each Underwriter, each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act and each affiliate of any Underwriter within the meaning of Rule 405 under the Securities Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereto, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act or the Prospectus or any amendment or supplement thereto, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to any Underwriter furnished to the Company in writing by such Underwriter through

you expressly for use therein, it being understood and agreed that the only such information furnished by the Underwriters consists of the information described in clause (b) below.

(b) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, the directors of the Company, the officers of the Company who sign the Registration Statement and each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereto, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) of the Securities Act, or the Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only with reference to information relating to such Underwriter furnished to the Company in writing by such Underwriter through you expressly for use in the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus or the Prospectus or any amendment or supplement thereto, it being understood and agreed that the only such information furnished by any Underwriter consists of the information in the third, tenth, twelfth and thirteenth paragraphs of the Underwriting section in the preliminary prospectus and the Prospectus.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 9(a) or 9(b), such person (the “**indemnified party**”) shall promptly notify the person against whom such indemnity may be sought (the “**indemnifying party**”) in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for (i) the fees and expenses of more than one separate firm (in addition to one local counsel in each jurisdiction) for all Underwriters and all persons, if any, who control any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act or who are affiliates of any Underwriter within the meaning of Rule 405 under the Securities Act and (ii) the fees and expenses of more than one separate firm (in addition to one local counsel in each jurisdiction) for the Company, its directors, its officers who sign the Registration Statement and each person, if any, who controls the Company within the meaning of either such Section, and that all such fees

and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Underwriters and such control persons and affiliates of any Underwriters, such firm shall be designated in writing by Morgan Stanley & Co. LLC. In the case of any such separate firm for the Company, and such directors, officers and control persons of the Company, such firm shall be designated in writing by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless (i) such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) To the extent the indemnification provided for in Section 9(a) or 9(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Shares or (ii) if the allocation provided by clause 9(d)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 9(d)(i) above but also the relative fault of the Company on the one hand and of the Underwriters on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of the Shares shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Shares (before deducting expenses) received by the Company and the total underwriting discounts and commissions received by the Underwriters bear to the aggregate price at which the Shares are offered to the public, as set forth in the Prospectus. The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Underwriters' respective obligations to contribute pursuant to this Section 9 are several in proportion to the respective number of Shares they have purchased hereunder, and not joint.

(e) The Company and the Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and

liabilities referred to in Section 9(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 9 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 9 and the representations, warranties and other statements of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Underwriter, any person controlling any Underwriter or any affiliate of any Underwriter or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Shares.

10. *Termination.* The Underwriters may terminate this Agreement by notice given by you to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the NYSE or the NASDAQ Global Market, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal or New York State authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets or any calamity or crisis that, in your judgment, is material and adverse and which, singly or together with any other event specified in this clause (v), makes it, in your judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus.

11. *Effectiveness; Defaulting Underwriters.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

If, on the Closing Date or an Option Closing Date, as the case may be, any one or more of the Underwriters shall fail or refuse to purchase Shares that it has or they have agreed to purchase hereunder on such date, and the aggregate number of Shares which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the Shares to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the number of Firm Shares set forth opposite their respective names in Schedule I bears to the aggregate number of Firm Shares set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as you may specify, to purchase the Shares which such defaulting Underwriter or Underwriters agreed but

failed or refused to purchase on such date; *provided* that in no event shall the number of Shares that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 11 by an amount in excess of one-ninth of such number of Shares without the written consent of such Underwriter. If, on the Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Firm Shares which it or they have agreed to purchase hereunder on such date and the aggregate number of Firm Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Firm Shares to be purchased on such date, and arrangements satisfactory to you and the Company for the purchase of such Firm Shares are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case either you or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Time of Sale Prospectus, in the Prospectus or in any other documents or arrangements may be effected. If, on an Option Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Additional Shares and the aggregate number of Additional Shares with respect to which such default occurs is more than one-tenth of the aggregate number of Additional Shares to be purchased on such Option Closing Date, the non-defaulting Underwriters shall have the option to (i) terminate their obligation hereunder to purchase the Additional Shares to be sold on such Option Closing Date or (ii) purchase not less than the number of Additional Shares that such non-defaulting Underwriters would have been obligated to purchase in the absence of such default. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

If this Agreement shall be terminated by the Underwriters, or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement, the Company will reimburse the Underwriters or such Underwriters as have so terminated this Agreement with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with this Agreement or the offering contemplated hereunder.

12. *Entire Agreement.* (a) This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Shares, represents the entire agreement between the Company and the Underwriters with respect to the preparation of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the Shares.

(b) The Company acknowledges that in connection with the offering of the Shares: (i) the Underwriters have acted at arm's length, are not agents of, and owe no fiduciary duties to, the Company or any other person, (ii) the Underwriters owe the Company only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the Underwriters may have interests that differ from those of the Company. The Company waives to the full extent permitted by applicable law any claims it may have against the Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the Shares.

13. *Counterparts.* This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

14. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

15. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

16. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriters shall be delivered, mailed or sent to you at the address set forth in Schedule II hereto; and if to the Company shall be delivered, mailed or sent to the address set forth in Schedule II hereto.

SECTION 3. *Dividends.* (a) *Rate.* Subject to the rights of holders of any class or series of capital stock of the Corporation ranking senior to the Mandatory Convertible Preferred Stock with respect to dividends, Holders shall be entitled to receive, when, as and if declared by the Board of Directors (or an authorized committee thereof) out of funds of the Corporation legally available for payment, cumulative dividends at the rate per annum of 4.50% on the Liquidation Preference per share of the Mandatory Convertible Preferred Stock (the “**Dividend Rate**”) (equivalent to \$4.50 per annum per share), payable in cash, by delivery of shares of Common Stock or by delivery of any combination of cash and shares of Common Stock, as determined by the Corporation in its sole discretion (subject to the limitations described below). Declared dividends on the Mandatory Convertible Preferred Stock shall be payable quarterly on each Dividend Payment Date at such annual rate, and dividends shall accumulate from the most recent date as to which dividends shall have been paid or, if no dividends have been paid, from the Initial Issue Date, whether or not in any Dividend Period or Dividend Periods there have been funds legally available for the payment of such dividends. Declared dividends shall be payable on the relevant Dividend Payment Date to Record Holders on the immediately preceding Record Date, whether or not the shares of Mandatory Convertible Preferred Stock held by such Record Holders on such Record Date are converted after such Record Date and on or prior to the immediately succeeding Dividend Payment Date. If a Dividend Payment Date is not a Business Day, payment shall be made on the next succeeding Business Day, without any interest or other payment in lieu of interest accruing with respect to this delay.

The amount of dividends payable on each share of the Mandatory Convertible Preferred Stock for each full Dividend Period (after the initial Dividend Period) shall be computed by dividing the Dividend Rate by four. Dividends payable on the Mandatory Convertible Preferred Stock for any period other than a full Dividend Period, including the initial Dividend Period, shall be computed based upon the actual number of days elapsed during such period over a 360-day year (consisting of 12 30-day months). Accumulations of dividends on shares of the Mandatory Convertible Preferred Stock shall not bear interest.

No dividend shall be declared or paid upon, or any sum of cash or number of shares of Common Stock set apart for the payment of dividends upon, any outstanding shares of Mandatory Convertible Preferred Stock with respect to any Dividend Period unless all dividends for all preceding Dividend Periods have been declared and paid upon, or a sufficient sum of cash or number of shares of Common Stock have been set apart for the payment of such dividends upon, all outstanding shares of Mandatory Convertible Preferred Stock.

Holders shall not be entitled to any dividends on the Mandatory Convertible Preferred Stock, whether payable in cash, securities or other property, in excess of full cumulative dividends.

Except as described in this Section 3(a), dividends on Mandatory Convertible Preferred Stock converted to Common Stock shall cease to accumulate on the Mandatory Conversion Date, the Fundamental Change Conversion Date or the Early Conversion Date (each, a “**Conversion Date**”), as applicable.

(b) *Priority of Dividends.* So long as any share of the Mandatory Convertible Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on Common Stock or any other class or series of Junior Stock, and no Common Stock or any other Junior Stock shall be purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accumulated and unpaid dividends for all preceding Dividend Periods have been declared and paid upon, or a sufficient sum of cash or number of shares of Common Stock has been set apart for the payment of such dividends upon, all outstanding shares of the Mandatory Convertible Preferred Stock. The foregoing limitation shall not apply to (i) any dividend or distribution payable in shares of Common Stock or other Junior Stock; (ii) purchases, redemptions or other acquisitions of Common Stock or other Junior Stock in connection with the administration of any benefit or other incentive plan, including any employment contract, in the ordinary course of business (including purchases to offset the Share Dilution Amount pursuant to a publicly announced repurchase plan); provided that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (iii) any dividends or distributions of rights in connection with a stockholders’ rights plan or any redemption or repurchase of rights pursuant to any stockholders’ rights plan; (iv) purchases of Common Stock or other Junior Stock pursuant to a contractually binding requirement to buy Common Stock or other Junior Stock existing prior to the preceding Dividend Period, including under a contractually binding stock repurchase plan; (v) the deemed purchase or acquisition of fractional interests in shares of Common Stock or other Junior Stock pursuant to the conversion or exchange provisions of such shares or the security being converted or exchanged; or (vi) purchases, redemptions or acquisitions deemed to occur as a result of an Initial REIT Conversion Transaction.

When dividends on shares of the Mandatory Convertible Preferred Stock (A) have not been declared and paid in full on any Dividend Payment Date or (B) have been declared but a sum of cash or number of shares of Common Stock sufficient for payment thereof has not been set aside for the benefit of the Holders thereof on the applicable Record Date, no dividends may be declared or paid on any Parity Stock unless dividends are declared on the shares of Mandatory Convertible Preferred Stock such that the respective amounts of such dividends declared on the shares of Mandatory Convertible Preferred Stock and such Parity Stock shall bear the same ratio to each other as all accumulated dividends and all declared and unpaid dividends per share on the shares of Mandatory Convertible Preferred Stock and such Parity Stock bear to each other; *provided* that any unpaid dividends will continue to accumulate.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors (or an authorized committee thereof) may be declared and paid on any securities, including Common Stock, from time to time out of any funds legally available for such payment, and Holders shall not be entitled to participate in any such dividends.

(c) *Method of Payment of Dividends.* (i) Subject to the limitations described below, any declared dividend (or any portion of any declared dividend) on the shares of Mandatory Convertible Preferred Stock, whether or not for a current Dividend Period or any prior Dividend Period (including in connection with the payment of declared and unpaid dividends pursuant to Section 7 and Section 9 hereof), may be paid by the Corporation, as determined in the Corporation's sole discretion:

- (A) in cash;
- (B) by delivery of shares of Common Stock; or
- (C) by delivery of any combination of cash and shares of Common Stock.

(ii) Each payment of a declared dividend on the shares of Mandatory Convertible Preferred Stock shall be made in cash, except to the extent the Corporation timely elects to make all or any portion of such payment in shares of Common Stock. The Corporation shall give notice to Holders of any such election and the portions of such payment that will be made in cash and in shares of Common Stock no later than 10 Scheduled Trading Days prior to the Dividend Payment Date for such dividend, *provided* that if the Corporation does not provide timely notice of this election, the Corporation will be deemed to have elected to pay the relevant dividend in cash.

(iii) If the Corporation elects to make any such payment of a declared dividend, or any portion thereof, in shares of Common Stock, such shares shall be valued for such purpose, in the case of any dividend payment or portion thereof, at 97% of the Average VWAP per share of Common Stock over the five consecutive Trading Day period beginning on and including the seventh

Scheduled Trading Day prior to the applicable Dividend Payment Date (the “**Average Price**”).

(d) No fractional shares of Common Stock shall be delivered by the Corporation to Holders in payment or partial payment of a dividend. A cash adjustment shall instead be paid by the Corporation to each Holder that would otherwise be entitled to receive a fraction of a share of Common Stock based on the Average Price with respect to such dividend.

(e) Notwithstanding the foregoing, in no event shall the number of shares of Common Stock to be delivered in connection with any declared dividend, including any declared dividend payable in connection with a conversion, exceed a number equal to the total dividend payment divided by \$25.90, subject to adjustment as set forth in Section 13(c)(ii) (such dollar amount, as adjusted, the “**Floor Price**”). To the extent that the amount of any declared dividend exceeds the product of the number of shares of Common Stock delivered in connection with such declared dividend and 97% of the Average Price, the Corporation shall, if it is legally able to do so, pay such excess amount in cash.

(f) To the extent that the Corporation, in its reasonable judgment, determines that a Shelf Registration Statement is required in connection with the issuance of, or for resales of, Common Stock issued as payment of a dividend on the shares of Mandatory Convertible Preferred Stock, including dividends paid in connection with a conversion, the Corporation shall, to the extent such a Shelf Registration Statement is not currently filed and effective, use its commercially reasonable efforts to file and maintain the effectiveness of such a Shelf Registration Statement until the earlier of such time as all such shares of Common Stock have been resold thereunder and such time as all such shares would be freely tradable without registration by holders thereof that are not “affiliates” of the Corporation for purposes of the Securities Act. To the extent applicable, the Corporation shall also use its commercially reasonable efforts to have such Common Stock qualified or registered under applicable state securities laws, if required, and approved for listing on the New York Stock Exchange (or if the Common Stock is not listed on the New York Stock Exchange, on the principal other U.S. national or regional securities exchange on which the Common Stock is then listed).

SECTION 4. *Liquidation, Dissolution or Winding Up.* (a) In the event of any liquidation, winding-up or dissolution of the Corporation, whether voluntary or involuntary, each Holder shall be entitled to receive the Liquidation Preference per share of the Mandatory Convertible Preferred Stock, plus an amount (the “**Liquidation Dividend Amount**”) equal to accumulated and unpaid dividends on such shares to (but excluding) the date fixed for liquidation, winding-up or dissolution to be paid out of the assets of the Corporation legally available for distribution to its stockholders, after satisfaction of liabilities owed to the Corporation’s creditors and holders of shares of any Senior Stock and before any payment or distribution is made to holders of any Junior Stock, including, without limitation, Common Stock.

(b) If, upon the voluntary or involuntary liquidation, winding-up or dissolution of the Corporation, the amounts payable with respect to (1) the Liquidation Preference plus the Liquidation Dividend Amount on the shares of Mandatory Convertible Preferred Stock and (2) the liquidation preference of, and the amount of accumulated and unpaid dividends (to, but excluding, the date fixed for liquidation, winding-up or dissolution) on, all Parity Stock are not

paid in full, the Holders and all holders of any such Parity Stock shall share equally and ratably in any distribution of the Corporation's assets in proportion to the respective liquidation preferences and amounts equal to the accumulated and unpaid dividends to which they are entitled.

(c) After the payment to any Holder of the full amount of the Liquidation Preference and the Liquidation Dividend Amount for each of such Holder's shares of the Mandatory Convertible Preferred Stock, such Holder as such shall have no right or claim to any of the remaining assets of the Corporation.

(d) Neither the sale of all or substantially all of Corporation's assets, nor its merger or consolidation into or with any other Person (including, for the avoidance of doubt, any Initial REIT Conversion Transaction), shall be deemed to be the voluntary or involuntary liquidation, winding-up or dissolution of the Corporation.

SECTION 5. *No Redemption; No Sinking Fund.* The Mandatory Convertible Preferred Stock shall not be subject to any redemption, sinking fund or other similar provisions.

SECTION 6. Voting Rights.

(a) *General.* Holders shall not have any voting rights except as set forth in this Section 6 or as otherwise from time to time specifically required by Delaware law.

(b) *Right to Elect Two Directors Upon Nonpayment.* (i) Whenever dividends on any shares of the Mandatory Convertible Preferred Stock (A) have not been declared and paid, or (B) have been declared but a sum of cash or number of shares of Common Stock sufficient for payment thereof has not been set aside for the benefit of the Holders on the applicable Record Date, for the equivalent of six or more Dividend Periods, whether or not for consecutive Dividend Periods (a "**Nonpayment**"), the authorized number of directors of the Board of Directors shall, at the next annual meeting of the stockholders or at a special meeting of stockholders as provided below, automatically be increased by two and Holders, voting together as a single class with holders of any and all other series of Voting Preferred Stock then outstanding, shall be entitled at the Corporation's next annual meeting or at a special meeting of stockholders to fill such newly created directorships by electing two additional members of the Board of Directors (the "**Preferred Stock Directors**"); *provided* that the election of any such directors will not cause the Corporation to violate the corporate governance requirements of the New York Stock Exchange (or any other exchange or automated quotation system on which the Corporation's securities may be listed or quoted) that requires listed or quoted companies to have a majority of independent directors; and *provided further* that the Board of Directors shall, at no time, include more than two Preferred Stock Directors. In the event of a Nonpayment, the holders of record of at least 25% of the shares of the Mandatory Convertible Preferred Stock and any other series of Voting Preferred Stock may request that a special meeting of stockholders be called to elect such Preferred Stock Directors (provided, however, that if the next annual or a special meeting of stockholders is scheduled to be held within 90 days of the receipt of such request, the election of such Preferred Stock Directors, to the extent otherwise permitted by the By-laws, shall be included in the agenda for and shall be held at such scheduled annual or special meeting of stockholders). The Preferred Stock Directors will stand for reelection annually, and at

each subsequent annual meeting of the stockholders, so long as the Holders continue to have such voting rights. At any meeting at which the Holders are entitled to elect Preferred Stock Directors, the holders of record of a majority of the then outstanding shares of the Mandatory Convertible Preferred Stock and all other series of Voting Preferred Stock, present in person or represented by proxy, shall constitute a quorum and the vote of the holders of a majority of such shares of the Mandatory Convertible Preferred Stock and other Voting Preferred Stock so present or represented by proxy at any such meeting at which there shall be a quorum shall be sufficient to elect the Preferred Stock Directors. Whether a plurality, majority or other portion in voting power of the Mandatory Convertible Preferred Stock and any other Voting Preferred Stock have been voted in favor of any matter shall be determined by reference to the respective liquidation preference amounts of the Mandatory Convertible Preferred Stock and such other Voting Preferred Stock voted.

(ii) Any request to call a special meeting for the initial election of the Preferred Stock Directors after a Nonpayment shall be made by written notice, signed by the requisite holders of the Mandatory Convertible Preferred Stock or other series of Voting Preferred Stock then outstanding, and delivered to the Corporation in such manner as provided for in Section 17 below, or as may otherwise be required by law.

(iii) If and when all accumulated and unpaid dividends on the Mandatory Convertible Preferred Stock have been paid in full, or declared and a sum (which may include shares of Common Stock) sufficient for such payment shall have been set aside (a “**Nonpayment Remedy**”), the Holders shall immediately and, without any further action by the Corporation, be divested of the foregoing voting rights, subject to the revesting of such rights in the event of each subsequent Nonpayment. If such voting rights for the Holders and all other holders of Voting Preferred Stock shall have terminated, the term of office of each Preferred Stock Director so elected shall terminate at such time and the authorized number of directors on the Board of Directors shall automatically decrease by two.

(iv) Any Preferred Stock Director may be removed at any time, with cause as provided by law or without cause by the holders of record of a majority in voting power of the outstanding shares of the Mandatory Convertible Preferred Stock and any other series of Voting Preferred Stock (voting together as a single class), when they have the voting rights described above. In the event that a Nonpayment shall have occurred and there shall not have been a Nonpayment Remedy, any vacancy in the office of a Preferred Stock Director (other than prior to the initial election of Preferred Stock Directors after a Nonpayment) may be filled by the written consent of the Preferred Stock Director remaining in office or, if none remains in office, by a vote of the holders of record of a majority in voting power of the outstanding shares of the Mandatory Convertible Preferred Stock and any other series of Voting Preferred Stock then outstanding (voting together as a single class) when they have the voting rights described above; *provided* that the filling of each vacancy will not cause the Corporation to violate the corporate governance requirements of the New York Stock Exchange (or any other exchange or automated quotation system on which the Corporation’s securities

may be listed or quoted) that requires listed or quoted companies to have a majority of independent directors. Any such vote of stockholders to remove, or to fill a vacancy in the office of, a Preferred Stock Director may be taken only at a special meeting of such stockholders, called as provided above for an initial election of Preferred Stock Directors after a Nonpayment (provided that such request is received at least 90 days before the date fixed for the next annual or special meeting of stockholders, failing which such election shall be included in the agenda for and shall be held at the next scheduled annual or special meeting of stockholders). The Preferred Stock Directors shall each be entitled to one vote per director on any matter that shall come before the Board of Directors for a vote. Each Preferred Stock Director elected at any special meeting of stockholders or by written consent of the other Preferred Stock Director shall hold office until the next annual meeting of the stockholders if such office shall not have previously terminated and such Preferred Stock Director shall not have been removed from such office, in each case as above provided.

(c) *Other Voting Rights.* So long as any shares of the Mandatory Convertible Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the affirmative vote or consent of the holders of at least two-thirds of the shares of the Mandatory Convertible Preferred Stock and all other series of Voting Preferred Stock (subject to the last paragraph of this Section 6(c)) at the time outstanding and entitled to vote thereon, voting together as a single class, given in person or by proxy, either in writing without a meeting or by vote at an annual or special meeting of such stockholders, shall be necessary for effecting or validating:

(i) *Authorization of Senior Stock.* Any amendment or alteration of the Charter or this Certificate of Designations so as to authorize or create, or increase the authorized amount of, any class or series of Senior Stock;

(ii) *Amendment of the Mandatory Convertible Preferred Stock.* Any amendment, alteration or repeal of any provision of the Charter or this Certificate of Designations so as to adversely affect the special rights, preferences, privileges or voting powers of the Mandatory Convertible Preferred Stock; or

(iii) *Share Exchanges, Reclassifications, Mergers and Consolidations.* Any consummation of a binding share exchange or reclassification involving the shares of the Mandatory Convertible Preferred Stock, or of a merger or consolidation of the Corporation with or into another entity, unless in each case (x) the shares of the Mandatory Convertible Preferred Stock remain outstanding or, in the case of any such merger or consolidation with respect to which the Corporation is not the surviving or resulting entity (or the Mandatory Convertible Preferred Stock is otherwise exchanged or reclassified), are converted or reclassified into or exchanged for preferred stock of the surviving or resulting entity or its ultimate parent, and (y) such shares of the Mandatory Convertible Preferred Stock that remain outstanding or such shares of preferred stock, as the case may be, have rights, preferences, privileges and voting powers that, taken as a whole, are not materially less favorable to the holders thereof than the rights,

preferences, privileges and voting powers, taken as a whole, of the Mandatory Convertible Preferred Stock immediately prior to the consummation of such transaction (any such preferred stock being referred to herein as “**Qualifying Preferred Stock**”);

provided, however, that for all purposes of this Section 6(c), (1) any increase in the amount of the Corporation’s authorized but unissued shares of Preferred Stock, (2) any increase in the amount of the Corporation’s authorized Mandatory Convertible Preferred Stock or the issuance of any additional shares of the Mandatory Convertible Preferred Stock, (3) the authorization or creation of any class or series of Parity Stock or Junior Stock, any increase in the amount of authorized but unissued shares of such class or series of Parity Stock or Junior Stock or the issuance of additional shares of such class or series of Parity Stock or Junior Stock or (4) the adoption or inclusion (by amendment, alteration, share exchange, reclassification, merger, consolidation or similar means) of Charter provisions (whether in the Charter or a successor entity certificate of incorporation or other equivalent governing document) applicable to capital stock (including the Mandatory Convertible Preferred Stock or any successor preferred stock) relating to ownership limitations and transfer restrictions that are customary, in the sole determination of the Board of Directors, for the protection of the Corporation’s or any successor entity’s status as a REIT and a “domestically controlled qualified investment entity” for tax purposes (such charter provisions, the “**REIT-related Ownership Provisions**”) shall be deemed not to adversely affect (or to otherwise cause to be materially less favorable) the rights, preferences, privileges or voting powers of the Mandatory Convertible Preferred Stock, and shall not require the affirmative vote of the Holders.

If any amendment, alteration, repeal, share exchange, reclassification, merger or consolidation specified in this Section 6(c) would adversely affect one or more but not all series of Voting Preferred Stock, then only the series of Voting Preferred Stock adversely affected and entitled to vote shall vote as a class in lieu of all other series of Voting Preferred Stock.

(d) *Procedures for Voting and Consents.* The rules and procedures for calling and conducting any meeting of the Holders (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other procedural aspect or matter with regard to such a meeting or such consents shall be governed by any rules the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Amended and Restated Certificate of Incorporation, the By-laws, applicable law and the rules of any national securities exchange or other trading facility on which the Mandatory Convertible Preferred Stock is listed or traded at the time.

SECTION 7. *Mandatory Conversion on the Mandatory Conversion Date.* (a) Each share of the Mandatory Convertible Preferred Stock shall automatically convert (unless previously converted at the option of the Holder in accordance with Section 8 or Section 9) on the Mandatory Conversion Date (“**Mandatory Conversion**”), into a number of shares of Common Stock equal to the Mandatory Conversion Rate.

(b) The “**Mandatory Conversion Rate**” shall, subject to adjustment in accordance with Section 7(c), be as follows:

(i) if the Applicable Market Value is greater than \$92.50 (the “**Threshold Appreciation Price**”), then the Mandatory Conversion Rate shall be equal to 1.0811 shares of Common Stock per share of the Mandatory Convertible Preferred Stock (the “**Minimum Conversion Rate**”);

(ii) if the Applicable Market Value is less than or equal to the Threshold Appreciation Price but greater than or equal to \$74.00 (the “**Initial Price**”), then the Mandatory Conversion Rate per share of the Mandatory Convertible Preferred Stock shall be equal to the Liquidation Preference divided by the Applicable Market Value; or

(iii) if the Applicable Market Value is less than the Initial Price, then the Mandatory Conversion Rate shall be equal to 1.3513 shares of Common Stock per share of the Mandatory Convertible Preferred Stock (the “**Maximum Conversion Rate**”).

provided that the Fixed Conversion Rates, the Threshold Appreciation Price, the Initial Price and the Applicable Market Value are each subject to adjustment in accordance with the provisions of Section 13.

(c) If on or prior to the Mandatory Conversion Date the Corporation has not declared all or any portion of the accumulated dividends on the Mandatory Convertible Preferred Stock, the Mandatory Conversion Rate shall be adjusted so that Holders receive an additional number of shares of Common Stock equal to the amount of such undeclared, accumulated and unpaid dividends (“**Mandatory Conversion Additional Conversion Amount**”) divided by the greater of the Floor Price and 97% of the Average Price. To the extent that the Mandatory Conversion Additional Conversion Amount exceeds the product of such number of additional shares and 97% of the Average Price, the Corporation shall, if the Corporation is legally able to do so, declare and pay such excess amount in cash pro rata to the Holders.

(d) If the Corporation declares a dividend for the Dividend Period ending on the Mandatory Conversion Date, the Corporation shall pay such dividend to the Record Holders as of the immediately preceding Record Date in accordance with Section 3.

SECTION 8. Early Conversion at the Option of the Holder. (a) Other than during a Fundamental Change Conversion Period, the Holders shall have the right to convert their Mandatory Convertible Preferred Stock, in whole or in part (but in no event less than one share of the Mandatory Convertible Preferred Stock), at any time prior to the Mandatory Conversion Date (“**Early Conversion**”), into shares of Common Stock at the Minimum Conversion Rate, subject to adjustment as described in Section 13 and to satisfaction of the conversion procedures set forth in Section 10.

(b) If, as of any Early Conversion Date, the Corporation has not declared all or any portion of the accumulated and unpaid dividends for all full Dividend Periods ending on a Dividend Payment Date prior to such Early Conversion Date, the Minimum Conversion Rate shall be adjusted, with respect to the relevant Early Conversion, so that the Holders converting their Mandatory Convertible Preferred Stock at such time receive an additional number of shares

of Common Stock (the “**Early Conversion Additional Share Number**”) equal to the amount of undeclared, accumulated and unpaid dividends for such prior Dividend Periods (such amount of undeclared, accumulated and unpaid dividends, the “**Early Conversion Additional Conversion Amount**”), *divided by* the greater of the Floor Price and the Average VWAP per share of the Common Stock over the 20 consecutive Trading Day period (the “**Early Conversion Settlement Period**”) commencing on, and including, the 22nd Scheduled Trading Day immediately preceding the Early Conversion Date (such average being referred to as the “**Early Conversion Average Price**”). Notwithstanding anything to the contrary in this Certificate of Designations, to the extent that the Early Conversion Additional Conversion Amount exceeds the value of the product of the Early Conversion Additional Share Number and the Early Conversion Average Price, the Corporation shall not have any obligation to pay the shortfall in cash. Except as described in the first sentence of this Section 8(b), upon any Early Conversion of any shares of the Mandatory Convertible Preferred Stock, the Corporation shall make no payment or allowance for unpaid dividends on such shares of the Mandatory Convertible Preferred Stock, unless such Early Conversion Date occurs after the Record Date for a declared dividend and on or prior to the immediately succeeding Dividend Payment Date, in which case the Corporation shall pay such dividend on such Dividend Payment Date to the Record Holder of the converted shares of the Mandatory Convertible Preferred Stock as of such Record Date, in accordance with Section 3.

SECTION 9. *Fundamental Change Conversion.* (a) If a Fundamental Change occurs on or prior to the Mandatory Conversion Date, the Holders shall have the right to (i) convert their shares of the Mandatory Convertible Preferred Stock, in whole or in part (but in no event less than one share of the Mandatory Convertible Preferred Stock) (any such conversion pursuant to this Section 9(a) being a “**Fundamental Change Conversion**”) at any time during the period (the “**Fundamental Change Conversion Period**”) that begins on the effective date of such Fundamental Change (the “**Effective Date**”) and ends at 5:00 p.m., New York City time, on the date that is 20 calendar days after the Effective Date (or, if earlier, the Mandatory Conversion Date) into a number of shares of Common Stock equal to the Fundamental Change Conversion Rate per share of the Mandatory Convertible Preferred Stock, (ii) with respect to such converted shares, receive an amount equal to the present value, calculated using a discount rate of 4.50% per annum, of all dividend payments on such shares (excluding any Accumulated Dividend Amount) for all the remaining Dividend Periods and for the partial Dividend Period from and including such Effective Date to but excluding the Mandatory Conversion Date (the “**Fundamental Change Dividend Make-whole Amount**”); and (iii) with respect to such converted shares, receive the Accumulated Dividend Amount, subject in the case of clauses (ii) and (iii) to the Corporation’s right to deliver shares of Common Stock in lieu of all or part of such amounts as set forth in Section 9(d) below and subject to the limitations with respect to the number of shares of Common Stock set forth in Section 9(d) below; *provided* that, notwithstanding clauses (ii) and (iii) above, if such Effective Date falls during a Dividend Period for which the Corporation has declared a dividend, the Corporation shall pay such dividend on the relevant Dividend Payment Date to the Record Holders as of such Record Date, in accordance with Section 3, and such dividend shall not be included in the Accumulated Dividend Amount, and the Fundamental Change Dividend Make-whole Amount shall not include the present value of the payment of such dividend. Holders who do not submit their Mandatory Convertible Preferred Stock for conversion during the Fundamental Change Conversion Period shall not be entitled to convert their Mandatory Convertible Preferred Stock at the relevant

Fundamental Change Conversion Rate or to receive the relevant Fundamental Change Dividend Make-Whole Amount or the relevant Accumulated Dividend Amount.

(b) On or before the 20th calendar day prior to the anticipated Effective Date or, if such prior notice is not practicable, no later than the second Business Day immediately following the actual Effective Date, a written notice (the “**Fundamental Change Notice**”) shall be sent by or on behalf of the Corporation to the Holders. Such notice shall state:

- (i) the event causing the Fundamental Change;
- (ii) the anticipated Effective Date or actual Effective Date, as the case may be;
- (iii) that Holders shall have the right to effect a Fundamental Change Conversion in connection with such Fundamental Change during the Fundamental Change Conversion Period;
- (iv) the Fundamental Change Conversion Period; and
- (v) the instructions a Holder must follow to effect a Fundamental Change Conversion in connection with such Fundamental Change.

If the Corporation notifies Holders of a Fundamental Change later than the 20th calendar day prior to the Effective Date, the Fundamental Change Conversion Period shall be extended by a number of days equal to the number of days from, and including, the 20th calendar day prior to the Effective Date to, but excluding, the date of such notice; *provided* that the Fundamental Change Conversion Period shall not be extended beyond the Mandatory Conversion Date.

(c) Not later than the second Business Day following the Effective Date (or, if the Corporation provides notice to Holders of the Fundamental Change prior to the anticipated Effective Date, on the date the Corporation gives Holders notice of the anticipated Effective Date), the Corporation shall notify Holders of:

- (i) the Fundamental Change Conversion Rate;
- (ii) the Fundamental Change Dividend Make-whole Amount and whether the Corporation will pay such amount in cash, shares of Common Stock or a combination thereof, specifying the combination, if applicable; and
- (iii) the Accumulated Dividend Amount and whether the Corporation will pay such amount in cash, shares of Common Stock or a combination thereof, specifying the combination, if applicable.

(d) (i) For any shares of the Mandatory Convertible Preferred Stock that are converted during the Fundamental Change Conversion Period, in addition to the Common Stock issued upon conversion at the Fundamental Change Conversion Rate, the Corporation shall at its option:

- (A) pay the Fundamental Change Dividend Make-whole Amount in cash, to the extent the Corporation is legally permitted to do so;

(B) increase the number of shares of Common Stock to be issued on conversion by a number equal to (x) the Fundamental Change Dividend Make-whole Amount divided by (y) the greater of the Floor Price and 97% of the Share Price; or

(C) pay the Fundamental Change Dividend Make-whole Amount through any combination of cash and shares of Common Stock in accordance with the provisions of clauses (A) and (B) above.

(ii) In addition, to the extent that the Accumulated Dividend Amount exists with respect to any Fundamental Change Conversion, the converting Holder shall be entitled to receive such Accumulated Dividend Amount upon such Fundamental Change Conversion. The Corporation shall, at its option, pay the Accumulated Dividend Amount:

(A) in cash, to the extent the Corporation is legally permitted to do so;

(B) in an additional number of shares of Common Stock equal to (x) the Accumulated Dividend Amount divided by (y) the greater of the Floor Price and 97% of the Share Price; or

(C) in a combination of cash and shares of Common Stock in accordance with the provisions of clauses (A) and (B) above.

(iii) The Corporation shall pay the Fundamental Change Dividend Make-whole Amount and the Accumulated Dividend Amount in cash, except to the extent the Corporation elects on or prior to the second Business Day following the relevant Effective Date to make all or any portion of such payments in Common Stock. In addition, if the Corporation elects to deliver Common Stock in respect of all or any portion of the Fundamental Change Dividend Make-whole Amount or the Accumulated Dividend Amount, to the extent that the Fundamental Change Dividend Make-whole Amount or the Accumulated Dividend Amount or the dollar amount of any portion thereof paid in Common Stock exceeds the product of the number of additional shares the Corporation delivers in respect thereof and 97% of the Share Price, the Corporation shall, if it is legally able to do so, pay such excess amount in cash.

(iv) No fractional shares of Common Stock shall be delivered by the Corporation to converting Holders in respect of the Fundamental Change Dividend Make-whole Amount or the Accumulated Dividend Amount. A cash adjustment shall instead be paid by the Corporation to each converting Holder that would otherwise be entitled to receive a fraction of a share of Common Stock based on the Average VWAP per share of Common Stock over the five consecutive Trading Day period ending on, and including, the seventh Scheduled Trading Day immediately preceding the relevant Conversion Date.

SECTION 10. *Conversion Procedures.* (a) Pursuant to Section 7, on the Mandatory Conversion Date, any outstanding shares of the Mandatory Convertible Preferred Stock shall

automatically convert into shares of Common Stock. The Person or Persons entitled to receive the shares of Common Stock issuable upon mandatory conversion of the Mandatory Convertible Preferred Stock shall be treated as the record holder(s) of such shares of Common Stock as of 5:00 p.m., New York City time, on the Mandatory Conversion Date. Except as provided under Section 13(c)(iii), prior to 5:00 p.m., New York City time, on the Mandatory Conversion Date, the Common Stock issuable upon conversion of the Mandatory Convertible Preferred Stock shall not be outstanding for any purpose and Holders shall have no rights with respect to such Common Stock, including voting rights, rights to respond to tender offers and rights to receive any dividends or other distributions on the Common Stock, by virtue of holding the Mandatory Convertible Preferred Stock. A certificate representing the shares of Common Stock issuable upon conversion shall be issued and delivered to the converting Holder or, if the Mandatory Convertible Preferred Stock being converted is in book-entry form, the shares of Common Stock issuable upon conversion shall be delivered to the converting Holder through book-entry transfer through the facilities of the Depository, in each case together with delivery by the Corporation to the converting Holder of any cash to which the converting Holder is entitled, on the later of (i) the third Business Day immediately succeeding the Mandatory Conversion Date and (ii) the third Business Day immediately succeeding the last day of the Settlement Period.

(b) To effect an Early Conversion pursuant to Section 8, a Holder who

(i) holds a beneficial ownership interest in a Global Preferred Share must deliver to DTC the appropriate instruction form for conversion pursuant to DTC's conversion program and, if required, pay all transfer or similar taxes or duties, if any; or

(ii) holds shares of the Mandatory Convertible Preferred Stock in definitive, certificated form must:

(A) complete and manually sign the conversion notice on the back of the Mandatory Convertible Preferred Stock certificate or a facsimile of such conversion notice;

(B) deliver the completed conversion notice and the certificated shares of the Mandatory Convertible Preferred Stock to be converted to the Conversion and Dividend Disbursing Agent;

(C) if required, furnish appropriate endorsements and transfer documents; and

(D) if required, pay all transfer or similar taxes or duties, if any.

The Early Conversion shall be effective on the date on which a Holder has satisfied the foregoing requirements, to the extent applicable ("**Early Conversion Date**"). A Holder shall not be required to pay any transfer or similar taxes or duties relating to the issuance or delivery of Common Stock if such Holder exercises its conversion rights, but such Holder shall be required to pay any transfer or similar tax or duty that may be payable relating to any transfer involved in the issuance or delivery of Common Stock in a name other than the name of such Holder. A certificate representing the shares of Common Stock issuable upon conversion shall be issued

and delivered to the converting Holder or, if the Mandatory Convertible Preferred Stock being converted is in book-entry form, the shares of Common Stock issuable upon conversion shall be delivered to the converting Holder through book-entry transfer through the facilities of the Depositary, in each case together with delivery by the Corporation to the converting Holder of any cash to which the converting Holder is entitled, on the latest of (i) the third Business Day immediately succeeding the Early Conversion Date, (ii) the third Business Day immediately succeeding the last day of the Early Conversion Settlement Period, and (iii) the Business Day after the Holder has paid in full all applicable taxes and duties, if any.

The Person or Persons entitled to receive the shares of Common Stock issuable upon Early Conversion shall be treated for all purposes as the record holder(s) of such shares of Common Stock as of 5:00 p.m., New York City time, on the applicable Early Conversion Date. Except as set forth in Section 13(c)(iii), prior to 5:00 p.m., New York City time on such applicable Early Conversion Date, the shares of Common Stock issuable upon conversion of any shares of the Mandatory Convertible Preferred Stock shall not be deemed to be outstanding for any purpose, and Holders shall have no rights with respect to such shares of Common Stock, including voting rights, rights to respond to tender offers for the Common Stock and rights to receive any dividends or other distributions on the Common Stock, by virtue of holding shares of the Mandatory Convertible Preferred Stock.

In the event that an Early Conversion is effected with respect to shares of the Mandatory Convertible Preferred Stock representing less than all the shares of the Mandatory Convertible Preferred Stock held by a Holder, upon such Early Conversion the Corporation shall execute and instruct the Registrar and Transfer Agent to countersign and deliver to the Holder thereof, at the expense of the Corporation, a certificate evidencing the shares of the Mandatory Convertible Preferred Stock as to which Early Conversion was not effected, or, if the Mandatory Convertible Preferred Stock is held in book-entry form, the Corporation shall cause the Transfer Agent and Registrar to reduce the number of shares of the Mandatory Convertible Preferred Stock represented by the global certificate by making a notation on Schedule I attached to the global certificate or otherwise notate such reduction in the register maintained by such Transfer Agent and Registrar.

(c) To effect a Fundamental Change Conversion pursuant to Section 9, a Holder who

(i) holds a beneficial ownership interest in a Global Preferred Share must deliver to DTC the appropriate instruction form for conversion pursuant to DTC's conversion program and, if required, pay all transfer or similar taxes or duties, if any; or

(ii) holds shares of the Mandatory Convertible Preferred Stock in definitive, certificated form must:

(A) complete and manually sign the conversion notice on the back of the Mandatory Convertible Preferred Stock certificate or a facsimile of such conversion notice;

- (B) deliver the completed conversion notice and the certificated shares of the Mandatory Convertible Preferred Stock to be converted to the Conversion and Dividend Disbursing Agent;
- (C) if required, furnish appropriate endorsements and transfer documents; and
- (D) if required, pay all transfer or similar taxes or duties, if any.

The Fundamental Change Conversion shall be effective on the date on which a Holder has satisfied the foregoing requirements, to the extent applicable (the “**Fundamental Change Conversion Date**”). A Holder shall not be required to pay any transfer or similar taxes or duties relating to the issuance or delivery of Common Stock if such Holder exercises its conversion rights, but such Holder shall be required to pay any transfer or similar tax or duty that may be payable relating to any transfer involved in the issuance or delivery of Common Stock in a name other than the name of such Holder. A certificate representing the shares of Common Stock issuable upon conversion shall be issued and delivered to the converting Holder or, if the Mandatory Convertible Preferred Stock being converted is in book-entry form, the shares of Common Stock issuable upon conversion shall be delivered to the converting Holder through book-entry transfer through the facilities of the Depository, in each case together with delivery by the Corporation to the converting Holder of any cash to which the converting Holder is entitled, on the later of (i) the third Business Day immediately succeeding the Fundamental Change Conversion Date and (ii) the Business Day after the Holder has paid in full all applicable taxes and duties, if any.

The Person or Persons entitled to receive the shares of Common Stock issuable upon such Fundamental Change Conversion shall be treated for all purposes as the record holder(s) of such shares of Common Stock as of 5:00 p.m., New York City time, on the applicable Fundamental Change Conversion Date. Except as set forth in Section 13(c)(iii), prior to 5:00 p.m., New York City time on such applicable Fundamental Change Conversion Date, the shares of Common Stock issuable upon conversion of any shares of the Mandatory Convertible Preferred Stock shall not be outstanding for any purpose, and Holders shall have no rights with respect to the Common Stock, including voting rights, rights to respond to tender offers for the Common Stock and rights to receive any dividends or other distributions on the Common Stock, by virtue of holding shares of the Mandatory Convertible Preferred Stock.

In the event that a Fundamental Change Conversion is effected with respect to shares of the Mandatory Convertible Preferred Stock representing less than all the shares of the Mandatory Convertible Preferred Stock held by a Holder, upon such Fundamental Change Conversion the Corporation shall execute and instruct the Registrar and Transfer Agent to countersign and deliver to the Holder thereof, at the expense of the Corporation, a certificate evidencing the shares of the Mandatory Convertible Preferred Stock as to which Fundamental Change Conversion was not effected, or, if the Mandatory Convertible Preferred Stock is held in book-entry form, the Corporation shall cause the Transfer Agent and Registrar to reduce the number of shares of the Mandatory Convertible Preferred Stock represented by the global certificate by making a notation on Schedule I attached to the global certificate or otherwise notate such reduction in the register maintained by such Transfer Agent and Registrar.

(d) In the event that a Holder shall not by written notice designate the name in which shares of Common Stock to be issued upon conversion of such Mandatory Convertible Preferred Stock should be registered or, if applicable, the address to which the certificate or certificates representing such shares of Common Stock should be sent, the Corporation shall be entitled to register such shares, and make such payment, in the name of the Holder as shown on the records of the Corporation and, if applicable, to send the certificate or certificates representing such shares of Common Stock to the address of such Holder shown on the records of the Corporation.

(e) Shares of the Mandatory Convertible Preferred Stock shall cease to be outstanding on the applicable Conversion Date, subject to the right of Holders of such shares to receive shares of Common Stock issuable upon conversion of such shares of the Mandatory Convertible Preferred Stock and other amounts and shares of Common Stock, if any, to which they are entitled pursuant to Sections 7, 8 or 9, as applicable and, if the applicable Conversion Date occurs after the Record Date for a declared dividend and prior to the immediately succeeding Dividend Payment Date, subject to the right of the Record Holders of such shares of the Mandatory Convertible Preferred on such Record Date to receive payment of such declared dividend on such Dividend Payment Date pursuant to Section 3.

SECTION 11. *Reservation of Common Stock.* (a) The Corporation shall at all times reserve and keep available out of its authorized and unissued Common Stock, solely for issuance upon the conversion of shares of the Mandatory Convertible Preferred Stock as herein provided, free from any preemptive or other similar rights, a number of shares of Common Stock equal to the product of the Maximum Conversion Rate then in effect and the number of shares of the Mandatory Convertible Preferred Stock then outstanding. For purposes of this Section 11(a), the number of shares of Common Stock that shall be deliverable upon the conversion of all outstanding shares of the Mandatory Convertible Preferred Stock shall be computed as if at the time of computation all such outstanding shares were held by a single Holder.

(b) Notwithstanding the foregoing, the Corporation shall be entitled to deliver upon conversion of shares of the Mandatory Convertible Preferred Stock, as herein provided, shares of Common Stock reacquired and held in the treasury of the Corporation (in lieu of the issuance of authorized and unissued shares of Common Stock), so long as any such treasury shares are free and clear of all liens, charges, security interests or encumbrances (other than liens, charges, security interests and other encumbrances created by the Holders).

(c) All shares of Common Stock delivered upon conversion of the Mandatory Convertible Preferred Stock shall be duly authorized, validly issued, fully paid and non-assessable, free and clear of all liens, claims, security interests and other encumbrances (other than liens, charges, security interests and other encumbrances created by the Holders).

(d) Prior to the delivery of any securities that the Corporation shall be obligated to deliver upon conversion of the Mandatory Convertible Preferred Stock, the Corporation shall use commercially reasonable efforts to comply with all federal and state laws and regulations thereunder requiring the registration of such securities with, or any approval of or consent to the delivery thereof by, any governmental authority.

(e) The Corporation hereby covenants and agrees that, if at any time the Common Stock shall be listed on the New York Stock Exchange or any other national securities exchange or automated quotation system, the Corporation shall, if permitted by the rules of such exchange or automated quotation system, list and keep listed, so long as the Common Stock shall be so listed on such exchange or automated quotation system, all Common Stock issuable upon conversion of, or issuable in respect of the payment of dividends, the Accumulated Dividend Amount or the Fundamental Change Dividend Make-whole Amount on, the Mandatory Convertible Preferred Stock; *provided*, however, that if the rules of such exchange or automated quotation system permit the Corporation to defer the listing of such Common Stock until the first conversion of the Mandatory Convertible Preferred Stock into Common Stock in accordance with the provisions hereof, the Corporation covenants to list such Common Stock issuable upon the first conversion of the Mandatory Convertible Preferred Stock in accordance with the requirements of such exchange or automated quotation system at such time.

SECTION 12. *Fractional Shares*. (a) No fractional shares of Common Stock shall be issued to Holders as a result of any conversion of shares of the Mandatory Convertible Preferred Stock.

(b) In lieu of any fractional shares of Common Stock otherwise issuable in respect of any mandatory conversion pursuant to Section 7 or a conversion at the option of the Holder pursuant to Section 8 or Section 9, the Corporation shall pay an amount in cash (computed to the nearest cent) equal to the product of (i) that same fraction and (ii) the Average VWAP of the Common Stock over the five consecutive Trading Day period beginning on, and including, the seventh Scheduled Trading Day immediately preceding the Mandatory Conversion Date, Early Conversion Date or Fundamental Change Conversion Date, as applicable.

(c) If more than one share of the Mandatory Convertible Preferred Stock is surrendered for conversion at one time by or for the same Holder, the number of full shares of Common Stock issuable upon conversion thereof shall be computed on the basis of the aggregate number of shares of the Mandatory Convertible Preferred Stock so surrendered.

SECTION 13. *Anti-Dilution Adjustments to the Fixed Conversion Rates*. (a) Each Fixed Conversion Rate shall be subject to the following adjustments:

(i) *Stock Dividends and Distributions*. If the Corporation issues shares of Common Stock to all holders of Common Stock as a dividend or other distribution, each Fixed Conversion Rate in effect at 5:00 p.m., New York City time, on the date fixed for determination of the holders of Common Stock entitled to receive such dividend or other distribution shall be divided by a fraction:

(A) the numerator of which is the number of shares of Common Stock outstanding at 5:00 p.m., New York City time, on the date fixed for such determination; and

(B) the denominator of which is the sum of the number of shares of Common Stock outstanding at 5:00 p.m., New York City time, on the date

fixed for such determination and the total number of shares of Common Stock constituting such dividend or other distribution.

Any adjustment made pursuant to this clause (i) shall become effective immediately after 5:00 p.m., New York City time, on the date fixed for such determination. If any dividend or distribution described in this clause (i) is declared but not so paid or made, each Fixed Conversion Rate shall be readjusted, effective as of the date the Board of Directors (or an authorized committee thereof) publicly announces its decision not to pay or make such dividend or distribution, to such Fixed Conversion Rate that would be in effect if such dividend or distribution had not been declared. For the purposes of this clause (i), the number of shares of Common Stock outstanding at 5:00 p.m., New York City time, on the date fixed for such determination shall not include shares held in treasury by the Corporation but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Corporation shall not pay any dividend or make any distribution on shares of Common Stock held in treasury by the Corporation.

(ii) *Issuance of Stock Purchase Rights.* If the Corporation issues to all holders of Common Stock rights or warrants (other than rights or warrants issued pursuant to a dividend reinvestment plan or share purchase plan or other similar plans) entitling such holders, for a period of up to 45 calendar days from the date of issuance of such rights or warrants, to subscribe for or purchase shares of Common Stock at a price per share less than the Current Market Price, each Fixed Conversion Rate in effect at 5:00 p.m., New York City time, on the date fixed for determination of the holders of Common Stock entitled to receive such rights or warrants shall be increased by multiplying such Fixed Conversion Rate by a fraction:

(A) the numerator of which is the sum of the number of shares of Common Stock outstanding at 5:00 p.m., New York City time, on the date fixed for such determination and the number of shares of Common Stock issuable pursuant to such rights or warrants; and

(B) the denominator of which is the sum of the number of shares of Common Stock outstanding at 5:00 p.m., New York City time, on the date fixed for such determination and the number of shares of Common Stock equal to the quotient of the aggregate offering price payable to exercise such rights or warrants divided by the Current Market Price.

Any adjustment made pursuant to this clause (ii) shall become effective immediately after 5:00 p.m., New York City time, on the date fixed for such determination. In the event that such rights or warrants described in this clause (ii) are not so issued, each Fixed Conversion Rate shall be readjusted, effective as of the date the Board of Directors (or an authorized committee thereof) publicly announces its decision not to issue such rights or warrants, to such Fixed Conversion Rate that would then be in effect if such issuance had not been

declared. To the extent that such rights or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights or warrants upon the exercise of such rights or warrants, each Fixed Conversion Rate shall be readjusted to such Fixed Conversion Rate that would then be in effect had the adjustment made upon the issuance of such rights or warrants been made on the basis of the delivery of only the number of shares of Common Stock actually delivered. In determining whether any rights or warrants entitle the holders thereof to subscribe for or purchase shares of Common Stock at less than the Current Market Price, and in determining the aggregate offering price payable to exercise such rights or warrants, there shall be taken into account any consideration received for such rights or warrants and the value of such consideration (if other than cash, to be determined in good faith by the Board of Directors or an authorized committee thereof, which determination shall be final). For the purposes of this clause (ii), the number of shares of Common Stock at the time outstanding shall not include shares held in treasury by the Corporation but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Corporation shall not issue any such rights or warrants in respect of shares of Common Stock held in treasury by the Corporation.

(iii) *Subdivisions and Combinations of the Common Stock.* If outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock or combined into a lesser number of shares of Common Stock, each Fixed Conversion Rate in effect at 5:00 p.m., New York City time, on the effective date of such subdivision or combination shall be multiplied by a fraction:

(A) the numerator of which is the number of shares of Common Stock that would be outstanding immediately after, and solely as a result of, such subdivision or combination; and

(B) the denominator of which is the number of shares of Common Stock outstanding immediately prior to such subdivision or combination.

Any adjustment made pursuant to this clause (iii) shall become effective immediately after 5:00 p.m., New York City time, on the effective date of such subdivision or combination.

(iv) *Debt or Asset Distribution.* (A) If the Corporation distributes to all holders of Common Stock evidences of its indebtedness, shares of capital stock, securities, rights to acquire shares of the Corporation's capital stock, cash or other assets (excluding (1) any dividend or distribution covered by Section 13(a)(i), (2) any rights or warrants covered by Section 13(a)(ii), (3) any dividend or distribution covered by Section 13(a)(v) and (4) any Spin-Off to which the provisions set forth in Section 13(a)(iv)(B) apply), each Fixed Conversion Rate in effect at 5:00 p.m., New York City time, on the date fixed for the determination of

holders of Common Stock entitled to receive such distribution shall be multiplied by a fraction:

(1) the numerator of which is the Current Market Price; and

(2) the denominator of which is the Current Market Price minus the Fair Market Value, on such date fixed for determination, of the portion of the evidences of indebtedness, shares of capital stock, securities, rights to acquire the Corporation's capital stock, cash or other assets so distributed applicable to one share of Common Stock.

(B) In the case of a Spin-Off, each Fixed Conversion Rate in effect at 5:00 p.m., New York City time, on the date fixed for the determination of holders of Common Stock entitled to receive such distribution shall be multiplied by a fraction:

(1) the numerator of which is the sum of the Current Market Price of the Common Stock and the Fair Market Value of the portion of those shares of capital stock or similar equity interests so distributed that is applicable to one share of Common Stock as of the 15th Trading Day after the effective date for such distribution (or, if such shares of capital stock or equity interests are listed on a U.S. national or regional securities exchange, the Current Market Price of such securities); and

(2) the denominator of which is the Current Market Price of the Common Stock.

Any adjustment made pursuant to this clause (iv) shall become effective immediately after 5:00 p.m., New York City time, on the date fixed for the determination of the holders of Common Stock entitled to receive such distribution. In the event that such distribution described in this clause (iv) is not so made, each Fixed Conversion Rate shall be readjusted, effective as of the date the Board of Directors (or an authorized committee thereof) publicly announces its decision not to make such distribution, to such Fixed Conversion Rate that would then be in effect if such distribution had not been declared. If an adjustment to each Fixed Conversion Rate is required under this clause (iv) during any Settlement Period or Early Conversion Settlement Period in respect of shares of the Mandatory Convertible Preferred Stock that have been tendered for conversion, delivery of the shares of Common Stock issuable upon conversion shall be delayed to the extent necessary in order to complete the calculations provided for in this clause (iv).

For purposes of this clause (iv) (and subject in all respect to clause (ii)), rights, options or warrants distributed by the Corporation to all holders of its

Common Stock entitling them to subscribe for or purchase shares of the Corporation's capital stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events ("**Trigger Event**"): (i) are deemed to be transferred with such shares of the Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this clause (iv) (and no adjustment to the Fixed Conversion Rates under this clause (iv) shall be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Fixed Conversion Rates shall be made under this clause (iv). If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the Initial Issue Date, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and the date fixed for the determination of the holders of Common Stock entitled to receive such distribution with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Fixed Conversion Rates under this clause (iv) was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (x) the Fixed Conversion Rates shall be readjusted as if such rights, options or warrants had not been issued and (y) the Fixed Conversion Rates shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Fixed Conversion Rates shall be readjusted as if such rights, options and warrants had not been issued.

For purposes of clause (i), clause (ii) and this clause (iv), if any dividend or distribution to which this clause (iv) is applicable includes one or both of:

(C) a dividend or distribution of shares of Common Stock to which clause (i) is applicable (the "**Clause I Distribution**"); or

(D) an issuance of rights or warrants to which clause (ii) is applicable (the "**Clause II Distribution**"),

then (1) such dividend or distribution, other than the Clause I Distribution, if any, and the Clause II Distribution, if any, shall be deemed to be a dividend or distribution to which this clause (iv) is applicable (the “**Clause IV Distribution**”) and any Fixed Conversion Rate adjustment required by this clause (iv) with respect to such Clause IV Distribution shall then be made, and (2) the Clause I Distribution, if any, and Clause II Distribution, if any, shall be deemed to immediately follow the Clause IV Distribution and any Fixed Conversion Rate adjustment required by clause (i) and clause (ii) with respect thereto shall then be made, except that, if determined by the Corporation (I) the date fixed for determination of the holders of Common Stock entitled to receive any Clause I Distribution or Clause II Distribution shall be deemed to be the date fixed for the determination of holders of Common Stock entitled to receive the Clause IV Distribution and (II) any shares of Common Stock included in any Clause I Distribution or Clause II Distribution shall be deemed not to be “outstanding at 5:00 p.m., New York City time, on the date fixed for such determination” within the meaning of clauses (i) and (ii).

(v) *Cash Distributions*. If the Corporation pays or makes a dividend or other distribution consisting exclusively of cash to all holders of Common Stock (excluding (1) any cash that is distributed in a Reorganization Event to which Section 14 applies, (2) any dividend or other distribution in connection with the voluntary or involuntary liquidation, dissolution or winding up of the Corporation and (3) any consideration payable as part of a tender or exchange offer by the Corporation or any subsidiary of the Corporation covered by Section 13(a)(vi)), each Fixed Conversion Rate in effect at 5:00 p.m., New York City time, on the date fixed for determination of the holders of Common Stock entitled to receive such dividend or other distribution shall be multiplied by a fraction:

- (1) the numerator of which is the Current Market Price, and
- (2) the denominator of which is the Current Market Price minus the amount per share of Common Stock of such dividend or other distribution.

Any adjustment made pursuant to this clause (v) shall become effective immediately after 5:00 p.m., New York City time, on the date fixed for the determination of the holders of Common Stock entitled to receive such dividend or other distribution. In the event that any dividend or other distribution described in this clause (v) is not so paid or made, each Fixed Conversion Rate shall be readjusted, effective as of the date the Board of Directors (or an authorized committee thereof) publicly announces its decision not to pay such dividend or make such other distribution, to such Fixed Conversion Rate which would then be in effect if such dividend or other distribution had not been declared.

(vi) *Self Tender Offers and Exchange Offers*. If the Corporation or any subsidiary of the Corporation successfully completes a tender or exchange offer

pursuant to a Schedule TO or registration statement on Form S-4 for Common Stock (excluding any securities convertible or exchangeable for Common Stock), where the cash and the value of any other consideration included in the payment per share of Common Stock exceeds the Current Market Price, each Fixed Conversion Rate in effect at 5:00 p.m., New York City time, on the date of expiration of the tender or exchange offer (the “**Expiration Date**”) shall be multiplied by a fraction:

(A) the numerator of which shall be equal to the sum of:

(1) the aggregate cash and Fair Market Value on the Expiration Date of any other consideration paid or payable for shares of Common Stock purchased in such tender or exchange offer; and

(2) the product of (x) the Current Market Price and (y) the number of shares of Common Stock outstanding at the time such tender or exchange offer expires, less any purchased shares; and

(B) the denominator of which shall be equal to the product of:

(1) the Current Market Price; and

(2) the number of shares of Common Stock outstanding at the time such tender or exchange offer expires, including any purchased shares.

Any adjustment made pursuant to this clause (vi) shall become effective immediately after 5:00 p.m., New York City time, on the 10th Trading Day immediately following the Expiration Date but will be given effect as of the open of business on the Expiration Date. In the event that the Corporation or one of its subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender offer or exchange offer, but the Corporation or such subsidiary is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then each Fixed Conversion Rate shall be readjusted to be such Fixed Conversion Rate that would then be in effect if such tender offer or exchange offer had not been made. Except as set forth in the preceding sentence, if the application of this clause (vi) to any tender offer or exchange offer would result in a decrease in each Fixed Conversion Rate, no adjustment shall be made for such tender offer or exchange offer under this clause (vi). If an adjustment to each Fixed Conversion Rate is required pursuant to this clause (vi) during any Settlement Period or Early Conversion Settlement Period in respect of shares of the Mandatory Convertible Preferred Stock that have been tendered for conversion, delivery of the related conversion consideration shall be delayed to the extent necessary in order to complete the calculations provided for in this clause (vi).

(vii) *Fair Market Value in Excess of Current Market Price.* Except with respect to a Spin-Off, in cases where the Fair Market Value of the evidences of the Corporation's indebtedness, shares of capital stock, securities, rights to acquire the Corporation's capital stock, cash or other assets as to which Section 13(a)(iv) or Section 13(a)(v) apply, applicable to one share of Common Stock, distributed to holders of Common Stock equals or exceeds the Current Market Price (as determined for purposes of calculating the conversion rate adjustment pursuant to such Section 13(a)(iv) or Section 13(a)(v)), rather than being entitled to an adjustment in each Fixed Conversion Rate, Holders shall be entitled to receive upon conversion, in addition to a number of shares of Common Stock otherwise deliverable on the applicable Conversion Date, the kind and amount of the evidences of the Corporation's indebtedness, shares of the Corporation's capital stock, securities, rights to acquire the Corporation's capital stock, cash or other assets comprising the distribution that such Holder would have received if such Holder had owned, immediately prior to the record date for determining the holders of Common Stock entitled to receive the distribution, for each share of the Mandatory Convertible Preferred Stock, a number of shares of Common Stock equal to the Maximum Conversion Rate in effect on the date of such distribution.

(viii) *Rights Plans.* To the extent that the Corporation has a rights plan in effect with respect to the Common Stock on any Conversion Date, upon conversion of any shares of the Mandatory Convertible Preferred Stock, converting Holders shall receive, in addition to the Common Stock, the rights under such rights plan, unless, prior to such Conversion Date, the rights have separated from the Common Stock, in which case each Fixed Conversion Rate shall be adjusted at the time of separation of such rights as if the Corporation made a distribution to all holders of the Common Stock as described in Section 13(a)(iv), subject to readjustment in the event of the expiration, termination or redemption of such rights. Any distribution of rights or warrants pursuant to a rights plan that would allow Holders to receive upon conversion, in addition to any shares of Common Stock, the rights described therein (unless such rights or warrants have separated from Common Stock) shall not constitute a distribution of rights or warrants that would entitle Holders to an adjustment to the Fixed Conversion Rates.

(b) *Adjustment for Tax Reasons.* The Corporation may make such increases in each Fixed Conversion Rate, in addition to any other increases required by this Section 13, as the Corporation deems advisable to avoid or diminish any income tax to holders of the Common Stock resulting from any dividend or distribution of shares of Common Stock (or issuance of rights or warrants to acquire shares of Common Stock) or from any event treated as such for income tax purposes or for any other reason; *provided* that the same proportionate adjustment must be made to each Fixed Conversion Rate.

(c) *Calculation of Adjustments; Adjustments to Threshold Appreciation Price, Initial Price and Share Price.* (i) All adjustments to each Fixed Conversion Rate shall be calculated to the nearest 1/10,000th of a share of Common Stock. Prior to the Mandatory Conversion Date, no adjustment in a Fixed Conversion Rate shall be required unless such adjustment would require an increase or decrease of at least one percent therein. If any adjustment by reason of this

Section 13(c)(i) is not required to be made, such adjustment shall be carried forward and taken into account in any subsequent adjustment; *provided*, however, that on the earlier of the Mandatory Conversion Date, an Early Conversion Date and the Effective Date, adjustments to each Fixed Conversion Rate shall be made with respect to any such adjustment carried forward that has not been taken into account before such date.

(ii) If an adjustment is made to the Fixed Conversion Rates pursuant to Sections 13(a) or 13(b), (x) an inversely proportional adjustment shall also be made to the Threshold Appreciation Price and the Initial Price solely for purposes of determining which of clauses (i), (ii) and (iii) of Section 7(b) shall apply on the Mandatory Conversion Date and (y) an inversely proportional adjustment will also be made to the Floor Price. Such adjustment shall be made by dividing each of the Threshold Appreciation Price and the Initial Price by a fraction, the numerator of which shall be either Fixed Conversion Rate immediately after such adjustment pursuant to Sections 13(a) or 13(b) and the denominator of which shall be such Fixed Conversion Rate immediately before such adjustment. Whenever any provision of this Certificate of Designations requires the Corporation to calculate the VWAP per share of the Common Stock over a span of multiple days, the Board of Directors (or an authorized committee thereof) shall make appropriate adjustments (including, without limitation, to the Applicable Market Value, the Early Conversion Average Price, the Current Market Price and the Average Price (as the case may be)) to account for any adjustments, pursuant to Section 13(a) or 13(b), to the Initial Price, the Threshold Appreciation Price, the Floor Price and the Fixed Conversion Rates (as the case may be) that become effective, or any event that would require such an adjustment if the Ex-Date, effective date or Expiration Date (as the case may be) of such event occurs, during the relevant period used to calculate such prices or values (as the case may be).

(iii) If:

(A) the record date for a dividend or distribution on shares of the Common Stock occurs after the end of the 20 consecutive Trading Day period used for calculating the Applicable Market Value and before the Mandatory Conversion Date; and

(B) such dividend or distribution would have resulted in an adjustment of the number of shares of Common Stock issuable to the Holders had such record date occurred on or before the last Trading Day of such 20-trading day period,

then the Corporation shall deem the Holders to be holders of record, for each share of their Mandatory Convertible Preferred Stock, of a number of shares of Common Stock equal to the Mandatory Conversion Rate for purposes of that dividend or distribution.

(iv) If an adjustment is made to the Fixed Conversion Rates pursuant to Sections 13(a) or 13(b), a proportional adjustment shall be made to each Share Price column heading set forth in the table included in the definition of “Fundamental Change Conversion Rate” as of the day on which the Fixed Conversion Rates are so adjusted. Such adjustment shall be made by multiplying each Share Price included in such table, applicable immediately prior to such adjustment, by a fraction, the numerator of which is the Minimum Conversion Rate immediately prior to the adjustment giving rise to such Share Price adjustment, and the denominator of which is the Minimum Conversion Rate as so adjusted.

(v) Notwithstanding anything herein to the contrary, no adjustment to the Fixed Conversion Rates shall be made if Holders may participate, at the same time, upon the same terms and otherwise on the same basis as holders of Common Stock and solely as a result of holding Mandatory Convertible Preferred Stock, in the transaction that would otherwise give rise to an adjustment as if they held, for each share of the Mandatory Convertible Preferred Stock, a number of shares of Common Stock equal to the Maximum Conversion Rate then in effect. The Corporation shall notify Holders, in the event they may so participate, at the same time it notifies holders of Common Stock of their participation in such transaction. In addition, the Fixed Conversion Rates shall not be adjusted:

(A) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Corporation’s securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(B) upon the issuance of any shares of Common Stock or rights or warrants to purchase those shares pursuant to any present or future benefit or other incentive plan or program of or assumed by the Corporation or any of its subsidiaries;

(C) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the Initial Issue Date;

(D) for a change in the par value of the Common Stock;

(E) for accumulated dividends on the Mandatory Convertible Preferred Stock, except as provided under Sections 7, 8 and 9; or

(F) as a result of an Initial REIT Conversion Transaction which constitutes a Reorganization Event and in which (x) all shares of Common Stock are converted or reclassified into or exchanged for, in each case, on a one-for-one basis, shares of common stock of the successor entity to the Corporation (the “**Successor Entity**”) which is listed on a Qualifying Market, and each share of the Mandatory Convertible Preferred Stock either remains

outstanding and becomes convertible into shares of such common stock or is converted or reclassified into or exchanged for, in each case, on a one-for-one basis, Qualifying Preferred Stock of the Successor Entity which is convertible into shares of such common stock of the Successor Entity and (y) no issuance of rights or warrants and no other dividend or other distribution is made to holders of Common Stock except as set forth in clause (x).

(d) *Notice of Adjustment.* Whenever the Fixed Conversion Rates and the Fundamental Change Conversion Rates set forth in the table in the definition of “Fundamental Change Conversion Rate” are to be adjusted, the Corporation shall:

(i) compute such adjusted Fixed Conversion Rates and Fundamental Change Conversion Rates and prepare and transmit to the Transfer Agent an Officer’s Certificate setting forth such adjusted Fixed Conversion Rates and Fundamental Change Conversion Rates, the method of calculation thereof in reasonable detail and the facts requiring such adjustment and upon which such adjustment is based;

(ii) within 10 Business Days following the occurrence of an event that requires an adjustment to the Fixed Conversion Rates and the Fundamental Change Conversion Rates, provide, or cause to be provided, a written notice to the Holders of the occurrence of such adjustment; and

(iii) as soon as practicable following the determination of such adjusted Fixed Conversion Rates and Fundamental Change Conversion Rates provide, or cause to be provided, to the Holders a statement setting forth in reasonable detail the method by which the adjustments to the Fixed Conversion Rates and Fundamental Change Conversion Rates were determined and setting forth such adjusted Fixed Conversion Rates and Fundamental Change Conversion Rates.

SECTION 14. *Recapitalizations, Reclassifications and Changes of Common Stock.* In the event of:

(i) any consolidation or merger of the Corporation with or into another Person (other than a merger or consolidation in which the Corporation is the surviving corporation and in which the Common Stock outstanding immediately prior to the merger or consolidation is not exchanged for cash, securities or other property of the Corporation or another Person);

(ii) any sale, transfer, lease or conveyance to another Person of all or substantially all of the property and assets of the Corporation;

(iii) any reclassification of Common Stock into securities including securities other than Common Stock; or

(iv) any statutory exchange of securities of the Corporation with another Person (other than in connection with a merger or acquisition),

in each case, as a result of which the Common Stock would be converted into, or exchanged for, securities, cash or property (each, a **“Reorganization Event”**), each share of the Mandatory Convertible Preferred Stock outstanding immediately prior to such Reorganization Event shall, without the consent of the Holders, become convertible into the kind of securities, cash and other property that such Holder would have been entitled to receive if such Holder had converted its Mandatory Convertible Preferred Stock into Common Stock immediately prior to such Reorganization Event (such securities, cash and other property, the **“Exchange Property,”** with each **“Unit of Exchange Property”** meaning the kind and amount of such Exchange Property that a holder of one share of Common Stock is entitled to receive). For purposes of the foregoing, the type and amount of Exchange Property in the case of any Reorganization Event that causes the Common Stock to be converted into the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election) shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock that affirmatively make such an election (or of all holders of Common Stock if none makes an election). The Corporation shall notify Holders of the weighted average as soon as practicable after such determination is made. The number of Units of Exchange Property for each share of the Mandatory Convertible Preferred Stock converted following the effective date of such Reorganization Event shall be determined as if references in Section 7, Section 8 and Section 9 to shares of Common Stock were to Units of Exchange Property (without any interest thereon and without any right to dividends or distributions thereon which have a record date that is prior to such Conversion Date, except as provided in Section 13(c)(iii)). For the purpose of determining which of clauses (i), (ii) and (iii) of Section 7(b) shall apply upon Mandatory Conversion, and for the purpose of calculating the Mandatory Conversion Rate if clause (ii) of Section 7(b) is applicable, the value of a Unit of Exchange Property shall be determined in good faith by the Board of Directors or an authorized committee thereof (which determination will be final), except that if a Unit of Exchange Property includes common stock or American Depositary Receipts (**“ADRs”**) that are traded on a U.S. national securities exchange, the value of such common stock or ADRs shall be the average over the 20 consecutive Trading Day period beginning on, and including, the 22nd Scheduled Trading Day immediately preceding the Mandatory Conversion Date of the volume weighted average prices for such common stock or ADRs, as displayed on the applicable Bloomberg screen (as determined in good faith by the Board of Directors or an authorized committee thereof (which determination will be final)); or, if such price is not available, the average market value per share of such common stock or ADRs over such period as determined, using a volume-weighted average method, by a nationally recognized independent investment banking firm retained by the Corporation for this purpose.

The above provisions of this Section 14 shall similarly apply to successive Reorganization Events and the provisions of Section 13 shall apply to any shares of capital stock or ADRs of the Corporation (or any successor thereto) received by the holders of Common Stock in any such Reorganization Event.

The Corporation (or any successor thereto) shall, as soon as reasonably practicable (but in any event within 20 calendar days) after the occurrence of any Reorganization Event, provide written notice to the Holders of such occurrence and of the kind and amount of the cash, securities or other property that constitute the Exchange Property. Failure to deliver such notice shall not affect the operation of this Section 14.

SECTION 15. *Transfer Agent, Registrar, and Conversion and Dividend Disbursing Agent.* The duly appointed Transfer Agent, Registrar and Conversion and Dividend Disbursing Agent for the Mandatory Convertible Preferred Stock shall be Computershare Inc. The Corporation may, in its sole discretion, remove the Transfer Agent, Registrar or Conversion and Dividend Disbursing Agent in accordance with the agreement between the Corporation and the Transfer Agent, Registrar or Conversion and Dividend Disbursing Agent, as the case may be; *provided* that if the Corporation removes Computershare Inc., the Corporation shall appoint a successor transfer agent, registrar or conversion and dividend disbursing agent, as the case may be, who shall accept such appointment prior to the effectiveness of such removal. Upon any such removal or appointment, the Corporation shall send notice thereof by first-class mail, postage prepaid, to the Holders.

SECTION 16. *Record Holders.* To the fullest extent permitted by applicable law, the Corporation and the Transfer Agent may deem and treat the Holder of any shares of the Mandatory Convertible Preferred Stock as the true and lawful owner thereof for all purposes.

SECTION 17. *Notices.* All notices or communications in respect of the Mandatory Convertible Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Amended and Restated Certificate of Incorporation or the By-laws and by applicable law. Notwithstanding the foregoing, if the shares of the Mandatory Convertible Preferred Stock are represented by Global Preferred Shares, such notices may also be given to the Holders in any manner permitted by DTC or any similar facility used for the settlement of transactions in the Mandatory Convertible Preferred Stock.

SECTION 18. *No Preemptive Rights.* The Holders shall have no preemptive or preferential rights to purchase or subscribe for any stock, obligations, warrants or other securities of the Corporation of any class.

SECTION 19. *Other Rights.* The shares of the Mandatory Convertible Preferred Stock shall not have any rights, preferences, privileges or voting powers or relative, participating, optional or other special rights, or qualifications, limitations or restrictions thereof, other than as set forth herein or in the Amended and Restated Certificate of Incorporation or as provided by applicable law.

SECTION 20. *Stock Certificates.*

(a) Shares of the Mandatory Convertible Preferred Stock shall initially be represented by stock certificates substantially in the form set forth as Exhibit A hereto.

(b) Stock certificates representing shares of the Mandatory Convertible Preferred Stock shall be signed by two authorized Officers of the Corporation, in accordance with the By-laws and applicable Delaware law, by manual or facsimile signature.

(c) A stock certificate representing shares of the Mandatory Convertible Preferred Stock shall not be valid until manually countersigned by an authorized signatory of the Transfer Agent and Registrar. Each stock certificate representing shares of the Mandatory Convertible Preferred Stock shall be dated the date of its countersignature.

(d) If any Officer of the Corporation who has signed a stock certificate no longer holds that office at the time the Transfer Agent and Registrar countersigns the stock certificate, the stock certificate shall be valid nonetheless.

SECTION 21. *Replacement Certificates.*

(a) If physical certificates are issued, and any of the Mandatory Convertible Preferred Stock certificates shall be mutilated, lost, stolen or destroyed, the Corporation shall, at the expense of the Holder, issue, in exchange and in substitution for and upon cancellation of the mutilated Mandatory Convertible Preferred Stock certificate, or in lieu of and substitution for the Mandatory Convertible Preferred Stock certificate lost, stolen or destroyed, a new Mandatory Convertible Preferred Stock certificate of like tenor and representing an equivalent Liquidation Preference of shares of the Mandatory Convertible Preferred Stock, but only upon receipt of evidence of such loss, theft or destruction of such Mandatory Convertible Preferred Stock certificate and indemnity, if requested, reasonably satisfactory to the Corporation and the Transfer Agent.

(b) The Corporation is not required to issue any certificate representing the Mandatory Convertible Preferred Stock on or after the Mandatory Conversion Date. In lieu of the delivery of a replacement certificate following the Mandatory Conversion Date, the Transfer Agent, upon delivery of the evidence and indemnity described above, shall deliver the shares of Common Stock issuable and any cash deliverable pursuant to the terms of the Mandatory Convertible Preferred Stock formerly evidenced by the certificate.

SECTION 22. *Book Entry Form.*

(a) The Mandatory Convertible Preferred Stock shall be issued in global form (“**Global Preferred Shares**”) eligible for book-entry settlement with the Depository, represented by one or more stock certificates in global form registered in the name of the Depository or a nominee of the Depository bearing the form of global securities legend set forth in Exhibit A. The aggregate number of shares of the Mandatory Convertible Preferred Stock represented by each stock certificate representing Global Preferred Shares may from time to time be increased or decreased by a notation by the Registrar and Transfer Agent on Schedule I attached to the stock certificate.

(b) Members of, or participants in, the Depository (“**Agent Members**”) shall have no rights under this Certificate of Designations, with respect to any Global Preferred Shares, and the Depository shall be treated by the Corporation, the Registrar and any agent of the Corporation or the Registrar as the absolute owner of the Mandatory Convertible Preferred Stock. Notwithstanding the foregoing, nothing herein shall prevent the Corporation, the Registrar or any agent of the Corporation or the Registrar from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of the Depository governing the exercise of the rights of a holder of a beneficial ownership interest in any shares of the Mandatory Convertible Preferred Stock. The Holders may grant proxies or otherwise authorize any Person to take any action that a Holder is entitled to take pursuant to the Mandatory Convertible Preferred Stock, this Certificate of Designations or the Amended and Restated Certificate of Incorporation.

(c) Transfers of a Global Preferred Share shall be limited to transfers of such Global Preferred Share in whole, but not in part, to nominees of the Depositary or to a successor of the Depositary or such successor's nominee.

(d) If DTC is at any time unwilling or unable to continue as Depositary for the Global Preferred Shares or DTC ceases to be registered as a "clearing agency" under the Exchange Act, and in either case a successor Depositary is not appointed by the Corporation within 90 days, the Corporation shall issue certificated shares in exchange for the Global Preferred Shares. In any such case, the Global Preferred Shares shall be exchanged in whole for definitive stock certificates, in substantially the form attached hereto as Exhibit A, representing an equal aggregate Liquidation Preference. Such definitive stock certificates shall be registered in the name or names of the Person or Persons specified by DTC in a written instrument to the Registrar.

SECTION 23. *Miscellaneous.* (a) The Corporation shall pay any and all stock transfer and documentary stamp taxes that may be payable in respect of any issuance or delivery of shares of the Mandatory Convertible Preferred Stock or shares of Common Stock or other securities issued on account of the Mandatory Convertible Preferred Stock pursuant hereto or certificates representing such shares or securities. The Corporation shall not, however, be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Common Stock or other securities in a name other than that in which the shares of the Mandatory Convertible Preferred Stock with respect to which such shares or other securities are issued or delivered were registered, and shall not be required to make any such issuance or delivery unless and until the Person otherwise entitled to such issuance or delivery has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid or is not payable.

(b) The Liquidation Preference and the Dividend Rate each shall be subject to equitable adjustment whenever there shall occur a stock split, combination, reclassification or other similar event involving the Mandatory Convertible Preferred Stock. Such adjustments shall be determined in good faith by the Board of Directors (or an authorized committee thereof) and submitted by the Board of Directors (or such authorized committee thereof) to the Transfer Agent.

Tax Opinion Regarding Certain U.S. Federal Income Tax Matters

Ladies and Gentlemen:

We have acted as counsel for Crown Castle International Corp., a Delaware corporation (the “Company”), in connection with the offering by the Company (the “Offering”) of shares of its common stock, par value \$0.01 per share, pursuant to the Underwriting Agreement, dated October 22, 2013 (the “Underwriting Agreement”), by and between the Company and Morgan Stanley & Co. LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Barclays Capital Inc., as representatives of the several underwriters named in Schedule I thereto. You have requested our opinion in connection with this Offering. Capitalized terms employed but not otherwise defined herein shall have the meanings assigned to them in the Underwriting Agreement.

In that connection, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments as we have deemed necessary or appropriate for the purposes of this opinion, including: (i) the Registration Statement on Form S-3 (Registration No. 333-180526) filed with the Securities and Exchange Commission (the “Commission”) on April 3, 2012 (the “Registration Statement”), for registration under the Securities Act of 1933, as amended (the “Securities Act”) of an unlimited aggregate amount of various securities of the Company, to be issued from time to time by the Company; (ii) the related Prospectus dated April 3, 2012; and (iii) the Prospectus Supplement dated October 22, 2013, filed with the Commission pursuant to Rule 424(b) of the General Rules and Regulations under the Securities Act (the “Prospectus Supplement”). In addition, we have examined and, with the Company’s consent, are relying upon the accuracy of: (i) a certificate (the “Officers’ Certificate”) dated as of October 22, 2013 and executed by duly appointed officers of the Company containing certain factual representations and covenants relating to the proposed operation of the Company and its direct and indirect subsidiaries

commencing on January 1, 2014, as well as certain representations and covenants regarding the completion before January 1, 2014 of any steps that may be necessary to ensure the accuracy of the factual representations set forth in the Officers' Certificate as of January 1, 2014 and (ii) such public filings and other documents and corporate records you have either provided to us or that we have deemed necessary or appropriate for purposes of our opinion.

We have not made an independent investigation of all of the facts, statements, representations and covenants set forth in the items listed above, including the Officers' Certificate. Our opinion is conditioned on the continuing accuracy and completeness of such statements, representations and covenants. Any material change or inaccuracy in the facts, statements, representations, and covenants set forth in the Officers' Certificate may affect our opinion.

In addition, we have assumed, with your consent, that: (i) all signatures are genuine, all natural persons are of legal capacity, all other documents submitted to us are authentic originals, or if submitted as duplicates or certified or conformed copies that they faithfully reproduce the originals thereof; (ii) all such documents have been or will be duly executed to the extent required in the form presented to us; and (iii) all obligations imposed by any such document on the parties thereto have been or will be performed or satisfied in accordance with their terms.

Our opinion is based on statutory, regulatory and judicial authority existing as of the date hereof, any of which may be changed at any time with retroactive effect. Accordingly, a change in applicable law may affect our opinion. In addition, our opinion is based solely on the documents that we have examined and the facts and assumptions set forth herein. Our opinion cannot be relied upon if any of our assumptions are inaccurate in any material respect. We assume no responsibility to inform you of any subsequent changes in the matters stated or represented in the documents described above or assumed herein or in statutory, regulatory and judicial authority and interpretations thereof. Further, our opinion is not binding upon the IRS or the courts, and there is no assurance that the IRS or a court will not take a contrary position. We express our opinion herein only as to those matters specifically set forth below, and no opinion has been expressed or should be inferred with respect to any state, local or foreign laws or with respect to other areas of U.S. Federal taxation. Except as set forth below, we express no opinion to any party as to any tax consequences, whether federal, state, local or foreign, of the transactions described in the Registration Statement, any transaction related thereto, or of an investment in the Offering. We are members of the Bar of the State of New York, and we express no opinion as to any law other than the Federal law of the United States of America.

Based upon and subject to the foregoing, we are of opinion that commencing with its taxable year ending on December 31, 2014, the Company will be organized in conformity with the requirements for qualification and taxation as a real estate investment trust ("REIT") under the Internal Revenue Code of 1986, as amended (the "Code"), and its proposed method of operation will enable it to meet the requirements for qualification and taxation as a REIT under the Code.

The Company's qualification and taxation as a REIT depend upon its ability to meet, through actual operating results, certain requirements relating to the sources of its income, the nature of its assets, its distribution levels and the diversity of its stock ownership, and various other qualification tests imposed under the Code, the results of which will not be reviewed by us. Accordingly, no assurance can be given that the actual results of the Company's operation for any one taxable year will satisfy the requirements for taxation as a REIT under the Code.

We are aware that we are referred to under the headings "Risk Factors", "Material United States Federal Income Tax Considerations" and "Legal Matters" in the Prospectus Supplement. We hereby consent to such use of our name therein and to the filing of this opinion as an exhibit to the Company's Current Report on Form 8-K filed on October 28, 2013, and to the incorporation by reference of this opinion into the Registration Statement. In giving this consent, we do not hereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission promulgated thereunder.

Tax Opinion Regarding Certain U.S. Federal Income Tax Matters

Ladies and Gentlemen:

We have acted as counsel for Crown Castle International Corp., a Delaware corporation (the “Company”), in connection with the offering by the Company (the “Offering”) of shares of its 4.50% Mandatory Convertible Preferred Stock, Series A, par value \$0.01 per share, pursuant to the Underwriting Agreement, dated October 22, 2013 (the “Underwriting Agreement”), by and between the Company and Morgan Stanley & Co. LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Barclays Capital Inc., as representatives of the several underwriters named in Schedule I thereto. You have requested our opinion in connection with this Offering. Capitalized terms employed but not otherwise defined herein shall have the meanings assigned to them in the Underwriting Agreement.

In that connection, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments as we have deemed necessary or appropriate for the purposes of this opinion, including: (i) the Registration Statement on Form S-3 (Registration No. 333-180526) filed with the Securities and Exchange Commission (the “Commission”) on April 3, 2012 (the “Registration Statement”), for registration under the Securities Act of 1933, as amended (the “Securities Act”) of an unlimited aggregate amount of various securities of the Company, to be issued from time to time by the Company; (ii) the related Prospectus dated April 3, 2012; and (iii) the Prospectus Supplement dated October 22, 2013, filed with the Commission pursuant to Rule 424(b) of the General Rules and Regulations under the Securities Act (the “Prospectus Supplement”). In addition, we have examined and, with the Company’s consent, are relying upon the accuracy of: (i) a certificate (the “Officers’ Certificate”) dated as of October 22, 2013 and executed by duly appointed officers of the Company containing certain factual representations and covenants relating to the proposed operation of the Company and its direct and indirect subsidiaries

commencing on January 1, 2014, as well as certain representations and covenants regarding the completion before January 1, 2014 of any steps that may be necessary to ensure the accuracy of the factual representations set forth in the Officers' Certificate as of January 1, 2014 and (ii) such public filings and other documents and corporate records you have either provided to us or that we have deemed necessary or appropriate for purposes of our opinion.

We have not made an independent investigation of all of the facts, statements, representations and covenants set forth in the items listed above, including the Officers' Certificate. Our opinion is conditioned on the continuing accuracy and completeness of such statements, representations and covenants. Any material change or inaccuracy in the facts, statements, representations, and covenants set forth in the Officers' Certificate may affect our opinion.

In addition, we have assumed, with your consent, that: (i) all signatures are genuine, all natural persons are of legal capacity, all other documents submitted to us are authentic originals, or if submitted as duplicates or certified or conformed copies that they faithfully reproduce the originals thereof; (ii) all such documents have been or will be duly executed to the extent required in the form presented to us; and (iii) all obligations imposed by any such document on the parties thereto have been or will be performed or satisfied in accordance with their terms.

Our opinion is based on statutory, regulatory and judicial authority existing as of the date hereof, any of which may be changed at any time with retroactive effect. Accordingly, a change in applicable law may affect our opinion. In addition, our opinion is based solely on the documents that we have examined and the facts and assumptions set forth herein. Our opinion cannot be relied upon if any of our assumptions are inaccurate in any material respect. We assume no responsibility to inform you of any subsequent changes in the matters stated or represented in the documents described above or assumed herein or in statutory, regulatory and judicial authority and interpretations thereof. Further, our opinion is not binding upon the IRS or the courts, and there is no assurance that the IRS or a court will not take a contrary position. We express our opinion herein only as to those matters specifically set forth below, and no opinion has been expressed or should be inferred with respect to any state, local or foreign laws or with respect to other areas of U.S. Federal taxation. Except as set forth below, we express no opinion to any party as to any tax consequences, whether federal, state, local or foreign, of the transactions described in the Registration Statement, any transaction related thereto, or of an investment in the Offering. We are members of the Bar of the State of New York, and we express no opinion as to any law other than the Federal law of the United States of America.

Based upon and subject to the foregoing, we are of opinion that commencing with its taxable year ending on December 31, 2014, the Company will be organized in conformity with the requirements for qualification and taxation as a real estate investment trust ("REIT") under the Internal Revenue Code of 1986, as amended (the "Code"), and its proposed method of operation will enable it to meet the requirements for qualification and taxation as a REIT under the Code.

The Company's qualification and taxation as a REIT depend upon its ability to meet, through actual operating results, certain requirements relating to the sources of its income, the nature of its assets, its distribution levels and the diversity of its stock ownership, and various other qualification tests imposed under the Code, the results of which will not be reviewed by us. Accordingly, no assurance can be given that the actual results of the Company's operation for any one taxable year will satisfy the requirements for taxation as a REIT under the Code.

We are aware that we are referred to under the headings "Risk Factors", "Material United States Federal Income Tax Considerations" and "Legal Matters" in the Prospectus Supplement. We hereby consent to such use of our name therein and to the filing of this opinion as an exhibit to the Company's Current Report on Form 8-K filed on October 28, 2013, and to the incorporation by reference of this opinion into the Registration Statement. In giving this consent, we do not hereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission promulgated thereunder.

Re: Certain United States Federal Income Tax Matters

Ladies and Gentlemen:

You have requested our opinion concerning certain United States Federal income tax considerations in connection with the offering (the "Offering") by Crown Castle International Corp., a Delaware corporation ("Crown Castle"), of shares of common stock, par value \$0.01 per share (the "Common Stock"), pursuant to a Registration Statement on Form S-3 (File No. 333-180526) filed with the Securities and Exchange Commission on April 3, 2012, including the base prospectus with respect thereto (the "Registration Statement"), and the prospectus supplement dated October 22, 2013, as amended or supplemented through the date hereof (the "Prospectus Supplement," and together with the Registration Statement, the "Offering Documents").

In connection with this opinion, we have examined originals or copies, certified or otherwise identified to our satisfaction, of the Offering Documents and such documentation and information provided to us by Crown Castle as we have deemed necessary or appropriate as a basis for the opinion set forth herein. In addition, Crown Castle has provided us with, and we are relying upon, a certificate containing certain factual statements, factual representations and covenants of officers of Crown Castle (the "Officers' Certificate") relating to, among other things, the actual and proposed operations of Crown Castle and the entities in which it holds, or

has held, a direct or indirect interest (collectively, the "Company"). For purposes of our opinion, we have not independently verified all of the facts, statements, representations and covenants set forth in the Offering Documents, the Officers' Certificate or in any other document. In particular, we note that the Company may engage in transactions in connection with which we have not provided legal advice, and have not reviewed, and of which we may be unaware. Consequently, we have relied on Crown Castle's representation that the facts, statements, representations and covenants presented in the Officers' Certificate and other documents, or otherwise furnished to us, accurately and completely describe all material facts and matters addressed in the Officers' Certificate. We have assumed that all such facts, statements, representations and covenants are true without regard to any qualification as to knowledge, belief, intent or materiality. Our opinion is conditioned on the continuing accuracy and completeness of such facts, statements, representations and covenants. We are not aware of any facts inconsistent with the statements in the Officers' Certificate. Any material change or inaccuracy in the facts, statements, representations, and covenants referred to, set forth, or assumed herein or in the Officers' Certificate may affect our conclusions set forth herein.

In our review of certain documents in connection with our opinion as expressed below, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed, photostatic, or electronic copies, and the authenticity of the originals of such copies. Where documents have been provided to us in draft form, we have assumed that the final executed versions of such documents will not differ materially from such drafts.

Our opinion is also based on the correctness of the following assumptions: (i) Crown Castle and each of the entities comprising the Company has been and will continue to be operated in accordance with the laws of the jurisdictions in which each was formed and in the manner described in the relevant organizational documents, (ii) there will be no changes in the applicable laws of the State of Delaware or of any other jurisdiction under the laws of which any of the entities comprising the Company have been formed, and (iii) each of the written agreements to which the Crown Castle is a party has been and will be implemented, construed and enforced in accordance with its terms.

In rendering our opinion, we have considered and relied upon the Internal Revenue Code of 1986, as amended (the "Code"), the regulations promulgated thereunder ("Regulations"), administrative rulings and other Treasury interpretations of the Code and the Regulations by the courts and the Internal Revenue Service ("IRS"), all as they exist at the date hereof. It should be noted that the Code, Regulations, judicial decisions, and administrative interpretations are subject to change at any time and, in some circumstances, with retroactive effect. A material change that is made after the date hereof in any of the foregoing bases for our opinion could affect our conclusions set forth herein. In this regard, an opinion of counsel with respect to an issue represents counsel's best judgment as to the outcome on the merits with respect to such issue, is not binding on the IRS or the courts, and is not a guarantee that the IRS

will not assert a contrary position with respect to such issue or that a court will not sustain such a position if asserted by the IRS.

Based on and subject to the foregoing, we are of the opinion that, commencing with Crown Castle's taxable year ending on December 31, 2014, Crown Castle will be organized and operated in conformity with the requirements for qualification and taxation as a real estate investment trust ("REIT") under the Code, and its proposed method of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT. As noted in the Prospectus Supplement, Crown Castle's qualification and taxation as a REIT depend upon its ability to meet, through actual operating results, certain requirements relating to the sources of its income, the nature of its assets, its distribution levels and the diversity of its stock ownership, and various other qualification tests imposed under the Code, the results of which are not reviewed by us. Accordingly, no assurance can be given that the actual results of Crown Castle's operations for any one taxable year will satisfy the requirements for taxation as a REIT under the Code.

This opinion is furnished to you in connection with the Offering. We consent to the filing of this opinion as an exhibit to a Current Report on Form 8-K, which will be incorporated by reference in the Registration Statement, and to the reference to Skadden, Arps, Slate, Meagher & Flom LLP under the headings "Risk Factors," "Material U.S. Federal Income Tax Considerations," and "Legal Matters" in the Prospectus Supplement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission. This opinion is expressed as of the date hereof, and we are under no obligation to supplement or revise our opinion to reflect any legal developments or factual matters arising subsequent to the date hereof, or the impact of any information, document, certificate, record, statement, representation, covenant, or assumption relied upon herein that becomes incorrect or untrue.

Very truly yours,

Re: Certain United States Federal Income Tax Matters

Ladies and Gentlemen:

You have requested our opinion concerning certain United States Federal income tax considerations in connection with the offering (the "Offering") by Crown Castle International Corp., a Delaware corporation ("Crown Castle"), of shares of 4.50% Mandatory Convertible Preferred Stock, Series A (the "Preferred Stock"), pursuant to a Registration Statement on Form S-3 (File No. 333-180526) filed with the Securities and Exchange Commission on April 3, 2012, including the base prospectus with respect thereto (the "Registration Statement"), and the prospectus supplement dated October 22, 2013, as amended or supplemented through the date hereof (the "Prospectus Supplement," and together with the Registration Statement, the "Offering Documents").

In connection with this opinion, we have examined originals or copies, certified or otherwise identified to our satisfaction, of the Offering Documents and such documentation and information provided to us by Crown Castle as we have deemed necessary or appropriate as a basis for the opinion set forth herein. In addition, Crown Castle has provided us with, and we are relying upon, a certificate containing certain factual statements, factual representations and covenants of officers of Crown Castle (the "Officers' Certificate") relating to, among other things, the actual and proposed operations of Crown Castle and the entities in which it holds, or

has held, a direct or indirect interest (collectively, the "Company"). For purposes of our opinion, we have not independently verified all of the facts, statements, representations and covenants set forth in the Offering Documents, the Officers' Certificate or in any other document. In particular, we note that the Company may engage in transactions in connection with which we have not provided legal advice, and have not reviewed, and of which we may be unaware. Consequently, we have relied on Crown Castle's representation that the facts, statements, representations and covenants presented in the Officers' Certificate and other documents, or otherwise furnished to us, accurately and completely describe all material facts and matters addressed in the Officers' Certificate. We have assumed that all such facts, statements, representations and covenants are true without regard to any qualification as to knowledge, belief, intent or materiality. Our opinion is conditioned on the continuing accuracy and completeness of such facts, statements, representations and covenants. We are not aware of any facts inconsistent with the statements in the Officers' Certificate. Any material change or inaccuracy in the facts, statements, representations, and covenants referred to, set forth, or assumed herein or in the Officers' Certificate may affect our conclusions set forth herein.

In our review of certain documents in connection with our opinion as expressed below, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed, photostatic, or electronic copies, and the authenticity of the originals of such copies. Where documents have been provided to us in draft form, we have assumed that the final executed versions of such documents will not differ materially from such drafts.

Our opinion is also based on the correctness of the following assumptions: (i) Crown Castle and each of the entities comprising the Company has been and will continue to be operated in accordance with the laws of the jurisdictions in which each was formed and in the manner described in the relevant organizational documents, (ii) there will be no changes in the applicable laws of the State of Delaware or of any other jurisdiction under the laws of which any of the entities comprising the Company have been formed, and (iii) each of the written agreements to which the Crown Castle is a party has been and will be implemented, construed and enforced in accordance with its terms.

In rendering our opinion, we have considered and relied upon the Internal Revenue Code of 1986, as amended (the "Code"), the regulations promulgated thereunder ("Regulations"), administrative rulings and other Treasury interpretations of the Code and the Regulations by the courts and the Internal Revenue Service ("IRS"), all as they exist at the date hereof. It should be noted that the Code, Regulations, judicial decisions, and administrative interpretations are subject to change at any time and, in some circumstances, with retroactive effect. A material change that is made after the date hereof in any of the foregoing bases for our opinion could affect our conclusions set forth herein. In this regard, an opinion of counsel with respect to an issue represents counsel's best judgment as to the outcome on the merits with respect to such issue, is not binding on the IRS or the courts, and is not a guarantee that the IRS

will not assert a contrary position with respect to such issue or that a court will not sustain such a position if asserted by the IRS.

Based on and subject to the foregoing, we are of the opinion that, commencing with Crown Castle's taxable year ending on December 31, 2014, Crown Castle will be organized and operated in conformity with the requirements for qualification and taxation as a real estate investment trust ("REIT") under the Code, and its proposed method of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT. As noted in the Prospectus Supplement, Crown Castle's qualification and taxation as a REIT depend upon its ability to meet, through actual operating results, certain requirements relating to the sources of its income, the nature of its assets, its distribution levels and the diversity of its stock ownership, and various other qualification tests imposed under the Code, the results of which are not reviewed by us. Accordingly, no assurance can be given that the actual results of Crown Castle's operations for any one taxable year will satisfy the requirements for taxation as a REIT under the Code.

This opinion is furnished to you in connection with the Offering. We consent to the filing of this opinion as an exhibit to a Current Report on Form 8-K, which will be incorporated by reference in the Registration Statement, and to the reference to Skadden, Arps, Slate, Meagher & Flom LLP under the headings "Risk Factors," "Material U.S. Federal Income Tax Considerations," and "Legal Matters" in the Prospectus Supplement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission. This opinion is expressed as of the date hereof, and we are under no obligation to supplement or revise our opinion to reflect any legal developments or factual matters arising subsequent to the date hereof, or the impact of any information, document, certificate, record, statement, representation, covenant, or assumption relied upon herein that becomes incorrect or untrue.

Very truly yours,

/s/ Skadden, Arps, Slate, Meagher & Flom LLP
