ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On August 1, 2017, Crown Castle International Corp. (“Company”) closed its previously announced public offering (“Debt Offering”) of \$750 million aggregate principal amount of the Company’s 3.200% Senior Notes due 2024 (“2024 Notes”) and \$1.0 billion aggregate principal amount of the Company’s 3.650% Senior Notes due 2027 (“2027 Notes,” together with the 2024 Notes, “Notes”). The Notes were issued pursuant to an indenture dated as of April 15, 2014 (“Base Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (“Trustee”), as amended and supplemented by the second supplemental indenture dated as of December 15, 2014 (“Second Supplemental Indenture”), between the Company and the Trustee, and the ninth supplemental indenture dated as of August 1, 2017 (“Ninth Supplemental Indenture” and, together with the Base Indenture and the Second Supplemental Indenture, “Indenture”), between the Company and the Trustee.

The Notes are senior unsecured obligations of the Company, which rank equally with all existing and future senior indebtedness, including the Company’s obligations under its senior unsecured credit facility, and senior to all future subordinated indebtedness of the Company. The Notes will effectively rank junior to all of the Company’s secured indebtedness to the extent of the value of the assets securing such indebtedness. The Notes will be structurally subordinated to all existing and future liabilities and obligations of the Company’s subsidiaries. The 2024 Notes will bear interest at a rate of 3.200% per annum and the 2027 Notes will bear interest at a rate of 3.650% per annum, both payable semi-annually on March 1 and September 1, to persons who are registered holders of the Notes on the immediately preceding February 15 and August 15, beginning on March 1, 2018.

The Indenture limits the ability of the Company and its subsidiaries to incur certain liens and merge with or into other companies, in each case subject to certain exceptions and qualifications set forth in the Indenture.

In the event of a Change of Control Triggering Event (as defined in the Indenture), holders of the Notes will have the right to require the Company to repurchase all or any part of the Notes at a purchase price equal to 101% of the aggregate principal amount of such Notes, plus accrued and unpaid interest, if any, to the date of such repurchase.

The 2024 Notes will mature on September 1, 2024. The 2027 Notes will mature on September 1, 2027. However, the Company, at its option, may redeem some or all of the Notes of a series at any time or from time to time prior to their maturity. If the Company elects to redeem the 2024 Notes prior to July 1, 2024 (the date that is two months prior to their maturity date) or the 2027 Notes prior to June 1, 2027 (the date that is three months prior to their maturity date), the Company will pay a redemption price equal to 100% of the principal amount of the Notes redeemed plus a “make-whole” premium and accrued and unpaid interest, if any. If the Company elects to redeem the 2024 Notes on or after July 1, 2024 (the date that is two months prior to their maturity date) or the 2027 Notes on or after June 1, 2027 (the date that is three months prior to their maturity date), the Company will pay a redemption price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest thereon to but excluding the date of redemption.

If the previously announced acquisition (“Lighttower Acquisition”) by the Company of all of the outstanding equity interests in LTS Group Holdings LLC (“Lighttower”) is not consummated on or prior to June 29, 2018 or if the Agreement and Plan of Merger dated July 18, 2017, among the Company, Lighttower and the other parties thereto, is terminated any time prior to such date other than as a result of consummating the Lighttower Acquisition, then the Company will be required to redeem each series of the outstanding Notes at a redemption price equal to 101% of the aggregate principal amount of the Notes plus accrued and unpaid interest thereon to but excluding the date of redemption.

The above description of the Indenture does not purport to be a complete statement of the parties’ rights and obligations under the Indenture and is qualified in its entirety by reference to the terms of the Indenture. The Company is filing the Ninth Supplemental Indenture as Exhibit 4.1 to this Current Report on Form 8-K, which exhibit is incorporated herein by reference.

ITEM 1.02. TERMINATION OF A MATERIAL DEFINITIVE AGREEMENT.

On July 18, 2017, the Company entered into a commitment letter (“Commitment Letter”) with Morgan Stanley Senior Funding, Inc., Bank of America, N.A. and Merrill Lynch, Pierce, Fenner & Smith Incorporated (such financial institutions being referred to collectively as the “Commitment Parties”), pursuant to which the Commitment Parties committed to provide up to \$7.1 billion in senior unsecured bridge loans to ensure financing for the Lighttower Acquisition and to pay related fees and expenses. Following receipt of the proceeds from the previously announced offerings of 41,150,000 shares of the Company’s common stock at \$96 per share and 1,650,000 shares of the Company’s Mandatory Convertible Preferred Stock, Series A, at \$1,000 per share and the Debt Offering, the Company determined that it had adequate cash resources and undrawn availability under its revolving credit facility to fund the cash consideration payable in connection with the Lighttower Acquisition and, on August 1, 2017, terminated the Commitment Letter and the commitments thereunder. In addition, the Company’s previously announced commitment letter in respect of a “backstop” senior unsecured credit facility terminated in accordance with its terms on July 26, 2017. Some of the Commitment Parties (and their respective subsidiaries or affiliates) have in the past provided, and may in the future provide, investment banking, underwriting, lending, commercial banking, trust and other advisory services to the Company and its subsidiaries for which they have received and may in the future receive compensation.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information in Item 1.01 is incorporated herein by reference.

ITEM 8.01. OTHER EVENTS.

In connection with the Debt Offering, the Company is filing the Computation of Ratio of Earnings to Fixed Charges and Earnings to Combined Fixed Charges and Dividends on Preferred Stock and Losses on Purchases of Preferred Stock for each of the five years ended December 31, 2016 and for the three months ended March 31, 2017 as Exhibit 12.1 to this Current Report on Form 8-K.

WHEREAS, the Company has executed and delivered to the Trustee the Base Indenture providing for the issuance from time to time of one or more series of Securities;

WHEREAS, the Company and the Predecessor Company have executed and delivered to the Trustee the Second Supplemental Indenture, pursuant to which the Company assumed all the obligations of the Predecessor Company under the Base Indenture;

WHEREAS, Section 9.01 of the Base Indenture provides for the Company and the Trustee to enter into an indenture supplemental to the Base Indenture without the consent of any Holders (as defined in the Base Indenture) to establish the forms or terms of Securities of a series as permitted by Section 2.02 and Section 2.03 of the Base Indenture;

WHEREAS, the Company has requested that the Trustee execute and deliver this Supplemental Indenture, and all requirements necessary to make this Supplemental Indenture a valid, binding and enforceable instrument in accordance with its terms, and to make the Notes, when executed by the Company and authenticated and delivered by the Trustee, the valid, binding and enforceable obligations of the Company, have been done and performed, and the execution and delivery of this Supplemental Indenture has been duly authorized in all respects;

NOW, THEREFORE, in consideration of the covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE 1

APPLICATION OF SUPPLEMENTAL INDENTURE AND CREATION OF NOTES; DEFINITIONS AND INCORPORATION BY REFERENCE

SECTION 1.01. Application of this Supplemental Indenture. Notwithstanding any other provision of this Supplemental Indenture, the provisions of this Supplemental

Indenture, including as provided in Section 1.02, and any amendments or modifications to the terms of the Base Indenture made herein, are expressly and solely for the benefit of the Holders (and not for the benefit of any other series of Securities (as defined in the Base Indenture)). The 3.200% Notes and the 3.650% Notes each constitute a series of Securities as provided in Section 2.01 of the Base Indenture. Unless otherwise expressly specified, references in this Supplemental Indenture to specific Article numbers or Section numbers refer to Articles and Sections contained in this Supplemental Indenture, and not the Base Indenture or any other document. All the Notes of a series issued under this Supplemental Indenture shall be treated as a single class for all purposes of the Indenture, including waivers, amendments, redemptions and offers to purchase with respect to such series.

SECTION 1.02. Effect of Supplemental Indenture. With respect to the Notes only, the Base Indenture shall be supplemented pursuant to Section 9.01 thereof to establish the terms of the Notes as set forth in this Supplemental Indenture, including as follows:

- (a) Definitions. The definitions and other provisions of general application set forth in Sections 1.01, 1.02, 1.03 and 1.04 of the Base Indenture are deleted and replaced in their entirety by the provisions of Sections 1.03, 1.04, 1.05 and 1.06 of this Supplemental Indenture;
- (b) The Securities. The provisions of Article II of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 2 of this Supplemental Indenture;
- (c) Redemption. The provisions of Article III of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 3 of this Supplemental Indenture;
- (d) Covenants. The provisions of Article IV of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 4 of this Supplemental Indenture;
- (e) Successors. The provisions of Article V of the Base Indenture are deleted and replaced in their entirety by Article 5 of this Supplemental Indenture;
- (f) Defaults and Remedies. The provisions of Article VI of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 6 of this Supplemental Indenture;
- (g) Trustee. The provisions of Article VII of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 7 of this Supplemental Indenture;
- (h) Legal Defeasance and Covenant Defeasance. The provisions of Article VIII of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 8 of this Supplemental Indenture;
- (i) Amendments. The provisions of Article IX of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 9 of this Supplemental Indenture; and

(j) Miscellaneous. The provisions of Article X of the Base Indenture are deleted and replaced in their entirety by the provisions of Article 11 of this Supplemental Indenture.

To the extent that the provisions of this Supplemental Indenture (including those referred to in clauses (a) through (j) above) conflict with any provision of the Base Indenture, the provisions of this Supplemental Indenture shall govern and be controlling solely with respect to the Notes.

SECTION 1.03. Definitions. For all purposes of the Indenture, the following terms shall have the following meanings:

“**Adjusted EBITDA**” means, for the 12-month period immediately preceding the calculation date, for the Company and its Subsidiaries on a consolidated basis, determined in accordance with GAAP, the sum of (a) Consolidated Net Income for such period, *plus* (b) to the extent deducted in determining Consolidated Net Income, the sum, without duplication, of (i) interest expense, whether or not accrued and whether or not capitalized (including amortization of debt issuance costs and original issue discount, the interest component of any deferred payment obligations, the interest component of all payments associated with Capital Lease Obligations, and commissions, discounts and other fees and charges incurred in respect of letters of credit or bankers’ acceptance financings), and amortization of non-cash interest expense, (ii) income tax expense and consolidated gross receipts tax expense, including taxes based on income, profits or capital, including state, franchise and similar taxes and foreign withholding taxes, (iii) depreciation, amortization and accretion (including amortization of intangible assets and accretion of asset retirement obligations), (iv) extraordinary losses and non-recurring non-cash charges and expenses, (v) all other non-cash charges, expenses and interest (including any non-cash losses in respect of Hedging Obligations, non-cash impairment charges, stock-based compensation charges and non-cash amortization of prepaid lease purchase price adjustments), (vi) non-recurring integration and transaction costs and expenses, including as a result of business combinations, operational changes and improvements (including transaction costs, expenses and fees incurred in connection with any merger or acquisition, severance and retention costs and business optimization expenses), (vii) non-recurring charges and expenses, restructuring charges and losses on the retirement or extinguishment of Indebtedness and (viii) other non-operating expenses in an aggregate amount not exceeding \$15 million in any fiscal year, in each case for such period, *less* extraordinary gains, other non-operating income in an aggregate amount not exceeding \$15 million in any fiscal year and cash payments (not otherwise deducted in determining Consolidated Net Income) made during such period with respect to non-cash charges that were added back in a prior period; *provided, however*, (I) with respect to any Person that became a Subsidiary of the Company, or was merged with or consolidated into the Company or any of its Subsidiaries, during such period, or any acquisition by the Company or any of its Subsidiaries of the assets of any Person during such period, “Adjusted EBITDA” shall, at the Company’s option in respect of any or all of the foregoing, also include the Adjusted EBITDA of such Person or attributable to such assets, as applicable, during such period as if such acquisition, merger or consolidation, including any concurrent transaction entered into by such Person or with respect to such assets as part of such acquisition, merger or consolidation, had occurred on the first day of such period and (II) with respect to any Person that has ceased to be a Subsidiary of the Company during such period, or any material assets of the Company or

Notwithstanding the foregoing, nothing herein shall (1) prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or (2) impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

SECTION 2.02. Execution and Authentication. (a) An Officer shall sign the Notes for the Company by manual or facsimile signature. Typographic and other minor defects in any facsimile signature shall not affect the validity or enforceability of any Note which has been authenticated and delivered by the Trustee.

(b) If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

(c) A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under the Indenture.

(d) The Trustee will, upon receipt of a Company Order, authenticate Notes for original issue that may be validly issued under the Indenture, including any Additional Notes. The aggregate principal amount of Notes of a series outstanding at any time may not exceed the aggregate principal amount of Notes of such series authorized for issuance by the Company pursuant to one or more Company Orders, except as provided in Section 2.08.

(e) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in the Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.03. Registrar and Paying Agent. (a) The Company shall maintain an office or agency where the Notes may be presented for registration of transfer or for exchange (the “**Registrar**”), and an office or agency where Notes may be presented for payment (“**Paying Agent**”). The Trustee shall initially act as the Registrar and Paying Agent. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any agent not a party to the Indenture. If the Company fails to appoint or maintain another entity as the Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(b) The Company initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Notes.

SECTION 2.04. Maintenance of Office or Agency; Paying Agent to Hold Money in Trust. (a) The Company shall maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and the Indenture may be served. Such office shall initially be the office of the Trustee.

(b) The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of the Holders of Notes of a series or the Trustee all money held by the Paying Agent for the payment of principal of, or premium, if any, or interest on the Notes of such series, and shall notify the Trustee of any Default by the Company in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders of Notes of a series all

money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least 10 days before each interest payment date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Holders, and the Company shall otherwise comply with TIA § 312(a).

SECTION 2.06. Transfer and Exchange. (a) The Notes shall be issued in registered form without interest coupons and only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes of each series shall be transferable only upon the surrender of a Note of such series for registration of transfer. When a Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of the Indenture are satisfied. When Notes of a series are presented to the Registrar with a request to exchange them for an equal principal amount of such Notes of other denominations, the Registrar shall make the exchange as requested if the requirements of the Indenture are met. To permit registration of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Notes at the Registrar's request. The Company or the Registrar may require payment by the Holder of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.06.

(b) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent or the Registrar may deem and treat the Person in whose name such Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and (subject to the provisions of such Notes with respect to record dates) interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(c) Neither the Company nor the Registrar shall be required (x) to issue, register the transfer of, or exchange any Notes of a series for the period beginning at the opening of business 15 days immediately preceding the sending of a notice of redemption of the Notes of such series selected for redemption and ending at the close of business on the day of such sending, or (y) to register the transfer of or exchange the Notes of a series selected, called or being called for redemption as a whole or the portion being redeemed of any such Notes selected, called or being called for redemption in part.

(d) All Notes issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under the Indenture as the Notes surrendered upon such transfer or exchange.

SECTION 2.07. Additional Transfer and Exchange Requirements.

(a) Transfer and Exchange of Global Notes. (1) Certificated Notes of a series shall be issued in exchange for interests in a Global Note of such series only if (x) the Depository notifies the Company that it is unwilling or unable to continue as depository for the Global Note of such series or if it at any time ceases to be a “clearing agency” registered under the Exchange Act, (y) the Company in its discretion at any time determines not to have all the Notes of such series represented by such Global Note or (z) upon an Event of Default with respect to such series or a Default has occurred and is continuing with respect to such series. In any such case, the Company shall execute, and the Trustee shall, upon receipt of a Company Order and an Officers’ Certificate, authenticate and deliver Certificated Notes of such series in an aggregate principal amount equal to the principal amount of such Global Notes in exchange therefor. Certificated Notes issued in exchange for beneficial interests in Global Notes shall be issued only in registered form and only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, and shall be registered in such names as the Depository, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver or cause to be delivered such Certificated Notes to the persons in whose names such Notes are so registered. Such exchange shall be effected in accordance with the Applicable Procedures. (2) Notwithstanding any other provisions of the Indenture other than the provisions set forth in Section 2.07(a)(1), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(b) Transfer and Exchange of Certificated Notes. In the event that Certificated Notes of a series are issued in exchange for beneficial interests in Global Notes of such series in accordance with Section 2.07(a)(1), on or after such event when Certificated Notes of such series are presented by a Holder to a Registrar with a request: (x) to register the transfer of such Certificated Notes to a person who shall take delivery thereof in the form of Certificated Notes only; or (y) to exchange such Certificated Notes for an equal principal amount of Certificated Notes of such series of other authorized denominations, such Registrar shall register the transfer or make the exchange as requested if the requirements for such transaction under the Indenture are satisfied; *provided, however*, that the Certificated Notes presented or surrendered for register of transfer or exchange shall be duly endorsed or accompanied by an assignment form and, if applicable, a transfer certificate each in the form included in Exhibit A-1, in the case of the 3.200% Notes, or Exhibit A-2, in the case of the 3.650% Notes, and in each case in a form satisfactory to the Registrar duly executed by the Holder thereof or its attorney duly authorized in writing.

(c) Transfers of Certificated Notes for Beneficial Interest in Global Notes. In the event that Certificated Notes of a series are issued in exchange for beneficial interests in Global Notes of such series and, thereafter, the events or conditions specified in Section 2.07(a)(1), which required such exchange shall cease to exist, the Company shall send notice to the Trustee and to the Holders of Notes of such series stating that such Holders may exchange Certificated Notes of such series for interests in Global Notes of such series by complying with the procedures set forth in the Indenture and briefly describing such procedures and the events or circumstances requiring that such notice be given. Thereafter, if Certificated Notes of such series are presented by a Holder to a Registrar with a request: (x) to register the transfer of such Certificated Notes to a person who shall take delivery thereof in the form of a beneficial interest

in a Global Note of such series; or (y) to exchange such Certificated Notes for an equal principal amount of beneficial interests in a Global Note of such series, which beneficial interests shall be owned by the Holder transferring such Certificated Notes, the Registrar shall register the transfer or make the exchange as requested by canceling such Certificated Note and causing, or directing the Custodian to cause, the aggregate principal amount of the applicable Global Note to be increased accordingly and, if no such Global Note is then outstanding, the Company shall issue and the Trustee shall authenticate and deliver a new Global Note of such series; *provided, however*, that the Certificated Notes presented or surrendered for registration of transfer or exchange shall be duly endorsed and accompanied by an assignment form and, if applicable, a transfer certificate each in the form included in Exhibit A-1, in the case of the 3.200% Notes, or Exhibit A-2, in the case of the 3.650% Notes, and in each case in a form satisfactory to the Registrar duly executed by the Holder thereof or its attorney duly authorized in writing.

(d) Transfers to the Company. Nothing in the Indenture or in the Notes shall prohibit the sale or other transfer of any Notes (including beneficial interests in Global Notes) to the Company or any of its Subsidiaries.

(e) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, an Agent Member or other Person with respect to the accuracy of the books or records, or the acts or omissions, of the Depository or its nominee or of any Agent Member thereof, with respect to any ownership interest in any Notes or with respect to the delivery to any Agent Member, beneficial owner or other Person (other than the Depository) of any notice or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders of Notes of a series and all payments to be made to Holders under a series of Notes shall be given or made only to or upon the order of the registered Holders of Notes of such series (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the Applicable Procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its Agent Members and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Agent Members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.08. Mutilated, Destroyed, Lost and Stolen Notes. (a) If any mutilated Note of a series is surrendered to the Trustee, the Company shall execute and the

Trustee, upon receipt of a Company Order, shall authenticate and deliver in exchange therefor a new Note of such series of like tenor and principal amount and bearing a number not contemporaneously outstanding.

(b) If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Note of a series and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Note has been acquired by a bona fide purchaser, the Company shall execute and the Trustee, upon receipt of a Company Order, shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Note, a new Note of such series of like tenor and principal amount and bearing a number not contemporaneously outstanding.

(c) In case any such mutilated, destroyed, lost or stolen Note of a series has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note of such series, pay such Note.

(d) Upon the issuance of any new Note under this Section 2.08, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(e) Every new Note of a series issued pursuant to this Section 2.08 in lieu of any destroyed, lost or stolen Note of such series shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of the Indenture equally and proportionately with any and all other Notes of such series duly issued hereunder.

(f) The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.09. Outstanding Notes. (a) The Notes of a series outstanding at any time are all the Notes of such series authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note of such series effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.09 as not outstanding.

(b) If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

(c) If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

(d) If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date with respect to the Notes of a series,

money sufficient to pay the Notes of such series payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

(e) A Note does not cease to be outstanding because the Company or an Affiliate holds the Note.

SECTION 2.10. Treasury Notes. In determining whether the Holders of the required principal amount of Notes of a series have concurred in any direction, waiver or consent, Notes of such series owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes of such series that the Trustee actually knows are so owned shall be so disregarded.

SECTION 2.11. Temporary Notes. In the event Certificated Notes of a series are to be issued under the terms of the Indenture, until certificates representing the Notes of such series are ready for delivery, the Company may prepare and the Trustee, upon receipt of a Company Order, shall authenticate temporary Notes of such series. Temporary Notes of a series shall be substantially in the form of Certificated Notes of such series but may have variations that the Company considers appropriate for temporary Notes of such series and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee, upon receipt of a Company Order, shall authenticate Certificated Notes of a series in exchange for temporary Notes of such series. Until so exchanged, temporary Notes of a series shall have the same rights under the Indenture as the Certificated Notes of such series.

SECTION 2.12. Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for transfer, exchange, payment, replacement or cancellation and shall destroy such canceled Notes (subject to the record retention requirement of the Exchange Act) and deliver a certificate of such destruction to the Company, unless the Company otherwise directs. The Company may not issue new Notes to replace Notes that it has paid or delivered to the Trustee for cancellation.

SECTION 2.13. Defaulted Interest. If the Company defaults in a payment of interest on the Notes of a series, it shall pay the defaulted interest, plus, to the extent permitted by law, any interest payable on the defaulted interest, to the persons who are Holders of Notes of such series on a subsequent special record date. The Company shall fix the special record date and payment date. At least 30 days before the special record date, the Company shall send to the Trustee and to each Holder of the Notes of such series a notice that states the special record date, the payment date and the amount of defaulted interest and the amount of interest payable on such defaulted interest, if any, to be paid. The Company may pay defaulted interest in any other lawful manner.

SECTION 2.14. CUSIP Numbers. The Company in issuing the Notes of a series may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided, however,* that any such notice may state that no representation is made as to the correctness of such numbers

either as printed on the Notes of such series or as contained in any notice of a redemption and that reliance may be placed only on the other elements of identification printed on the Notes of such series, and any such redemption shall not be affected by any defect in or omission of such numbers.

SECTION 2.15. No Sinking Fund. No sinking fund shall be provided with respect to the Notes.

SECTION 2.16. Issuance of Additional Notes. (a) After the date hereof, the Company shall be entitled to issue Additional Notes of a series under the Indenture, which Additional Notes shall have identical terms as the Initial Notes of such series, other than with respect to the date of issuance and the amount of the issue price. All the Notes of a series issued under the Indenture shall be treated as a single class for all purposes of the Indenture including waivers, amendments, redemptions and offers to purchase with respect to such series.

(b) With respect to any Additional Notes of a series, the Company shall set forth in a Board Resolution and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to the Indenture; and
- (ii) the issue price, the issue date and the CUSIP number of such Additional Notes; *provided, however,* that no Additional Notes of a series may be issued at a price that would cause such Additional Notes to not be fungible for U.S. federal income tax purposes with any other Notes of such series issued under the Indenture, unless such Notes bear a separate CUSIP number.

ARTICLE 3

REDEMPTION AND PREPAYMENT

SECTION 3.01. Notices to Trustee. If the Company desires to redeem all or part of a series of Notes pursuant to Section 3.07, it shall notify the Trustee of the redemption date and the principal amount of such Notes to be redeemed. The Company shall give the notice to the Trustee at least 30 but no more than 60 days before the redemption date.

SECTION 3.02. Selection of Notes to Be Redeemed.

(a) If less than all the Notes of a series are to be redeemed at any time, such Notes to be redeemed will be selected in accordance with the procedures of the Depositary.

(b) No Notes of a series of \$2,000 of principal amount or less shall be redeemed in part. Notice of redemption shall be sent by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. Notices of redemption may be conditional and, at the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied.

(c) If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount of that Note to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note presented for redemption shall be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption, subject to any condition included in such notice of redemption, become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on such Notes or portions of them called for redemption.

SECTION 3.03. Notice of Redemption. (a) At least 30 days but not more than 60 days before a redemption date, the Company shall send a notice of redemption to each Holder whose Notes are to be redeemed at its registered address. The notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price, or if not then ascertainable, either (i) the manner of calculation thereof or (ii) the redemption price calculated using the Treasury Rate as of the Business Day immediately prior to the date on which the notice of redemption is delivered;
- (iii) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (vi) that, upon the satisfaction of any conditions to such redemption set forth in the notice of redemption and unless the Company defaults in making such redemption payment, interest on the Notes called for redemption ceases to accrue on and after the redemption date;
- (vii) the paragraph of the Notes or provision of the Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on such Notes.

In addition, if such redemption is subject to the satisfaction of one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date stated in such notice, or by the redemption date as so delayed.

(b) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company shall have delivered to the Trustee, at least five Business Days before such notice is to be given (or such shorter period of time as the Trustee may agree), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(a).

(c) If the redemption price is not ascertainable on the date on which the notice of redemption is delivered, the Company shall send to the Trustee, at least one Business Day prior to the redemption date, notice of the redemption price.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 3.03, the Notes called for redemption, subject to any condition included in the applicable notice of redemption, become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may be conditional.

SECTION 3.05. Deposit of Redemption Price. (a) Prior to 11:00 a.m., New York City time, on the redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all the Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

(b) If the Company complies with the provisions of Section 3.05(a), on and after the redemption date, interest shall cease to accrue on the Notes or the portions of the Notes called for redemption. If a Note of a series is redeemed on or after an interest record date of such series but on or prior to the related interest payment date of such series, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with Section 3.05(a), interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and, to the extent lawful, on any interest not paid on such unpaid principal, in each case at the rate provided in such Notes.

SECTION 3.06. Notes Redeemed in Part. Upon surrender of a Note of a series that is redeemed in part, the Company shall issue and the Trustee, upon receipt of a Company Order, shall authenticate for the Holder at the expense of the Company a new Note of such series equal in principal amount to the unredeemed portion of such Note surrendered.

SECTION 3.07. Optional Redemption.

(a) At the Company's option, the Company may redeem the Notes of a series at any time in whole or in part. If the Company elects to redeem the 3.200% Notes prior to July 1, 2024, or the 3.650% Notes prior to June 1, 2027, the Company will pay a redemption price in respect of the applicable Notes of the series to be redeemed equal to the greater of the following amounts, plus, in each case, accrued and unpaid interest thereon to but excluding the

redemption date: (1) 100% of the aggregate principal amount of the Notes of such series to be redeemed or (2) the sum of the present values of the applicable Remaining Scheduled Payments of the Notes being redeemed. In determining the present values of the Remaining Scheduled Payments of the Notes being redeemed, the Company will discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 20 basis points with respect to the 3.200% Notes, and 20 basis points with respect to the 3.650% Notes.

(b) If the Company elects to redeem the 3.200% Notes on or after July 1, 2024, or the 3.650% Notes on or after June 1, 2027, the Company will pay a redemption price equal to 100% of the aggregate principal amount of the applicable Notes to be redeemed plus accrued and unpaid interest thereon to but excluding the redemption date.

(c) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Section 3.01 through 3.06.

SECTION 3.08. Special Mandatory Redemption. (a) If the Lightower Acquisition is not consummated on or prior to June 29, 2018 or if the Merger Agreement is terminated any time prior to such date other than as a result of consummating the Lightower Acquisition (any of the foregoing, a “**Special Mandatory Redemption Event**”), then the Company shall be required to redeem each series of the outstanding Notes on the Special Mandatory Redemption Date at a redemption price equal to 101% of the aggregate principal amount of the Notes plus accrued and unpaid interest thereon to but excluding the Special Mandatory Redemption Date. The “**Special Mandatory Redemption Date**” shall be a date selected by the Company and shall be no later than the tenth Business Day following any Special Mandatory Redemption Event. Notwithstanding the foregoing, installments of interest on Notes that are due and payable on interest payment dates falling on or prior to the Special Mandatory Redemption Date will be payable on such interest payment dates to the registered Holders as of the close of business on the relevant record dates in accordance with the Notes and the Indenture. The Company shall cause the notice of redemption pursuant to this Section 3.08(a) to be sent, with a copy to the Trustee, within five Business Days after the occurrence of a Special Mandatory Redemption Event to each Holder. If funds sufficient to pay the redemption price of the Notes to be redeemed on the Special Mandatory Redemption Date are deposited with the Trustee or a Paying Agent on or before such Special Mandatory Redemption Date, on and after such Special Mandatory Redemption Date, the Notes will cease to bear interest.

(b) To the extent not otherwise set forth in Section 3.08(a), the provisions of Sections 3.03 through 3.05 shall apply to any redemption pursuant to Section 3.08(a), except (i) the reference to five Business Days in Section 3.03(b) shall be deemed to be a reference to three Business Days with respect to any redemption pursuant to Section 3.08(a) and (ii) to the extent that any provision of Sections 3.03 through 3.05 conflicts with any provision of Section 3.08(a), in which case the provisions of Section 3.08(a) shall govern and be controlling.

ARTICLE 4
COVENANTS

SECTION 4.01. Payment of Notes. (a) The Company shall pay or cause to be paid the principal of and interest on the Notes of each series on the dates and in the manner provided in such Notes. Principal of and interest on the Notes of a series shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m., New York Time, on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

(b) The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the applicable series of Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02. Maintenance of Office or Agency. (a) The Company shall maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and the Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York, for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

SECTION 4.03. Reports. (a) Whether or not required by the SEC's rules and regulations, so long as any Notes are outstanding, the Company shall furnish to the Trustee, within 15 days after the Company is required to file (or would be required to file assuming it were subject to such requirements and including any extensions thereof) such annual and quarterly reports, information, documents and other reports with the SEC, copies of the Company's annual report and of the information, documents and other reports that the Company

is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. The Company will also comply with the applicable provisions of Section 314(a) of the TIA. To the extent such filings are made with the SEC, the reports shall be deemed to be furnished to the Trustee and Holders.

(b) In the event that the rules and regulations of the SEC permit the Company and any direct or indirect parent of the Company to report at such parent entity's level on a consolidated basis and such parent entity is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the capital stock of the Company, consolidating reporting at the parent entity's level in a manner consistent with that described in this Section 4.03 for the Company will satisfy this Section 4.03, and the Company will satisfy its obligations under this Section 4.03 with respect to financial information relating to the Company by furnishing financial information relating to such direct or indirect parent; *provided* that such financial information is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such direct or indirect parent and any of its Subsidiaries other than the Company and its Subsidiaries, on the one hand, and the information relating to the Company and its Subsidiaries on a standalone basis, on the other hand. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.04. Compliance Certificate. (a) The Company shall deliver to the Trustee, within 90 days after the end of each Fiscal Year, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding Fiscal Year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under the Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in the Indenture and is not in Default in the performance or observance of any of the terms, provisions and conditions of the Indenture (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes of a series is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) The Company shall, so long as any of the Notes are outstanding, deliver to the Trustee, promptly after the occurrence thereof, notice of any event that constitutes or, with the giving of notice or the passage of time or both, would constitute a Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

SECTION 4.05. Taxes. The Company shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental

levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders.

SECTION 4.06. Stay, Extension and Usury Laws. The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of the Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Liens. (a) The Company shall not, and shall not permit any of its Subsidiaries to, create, incur or assume any Lien (other than Permitted Liens) on any of its or its Subsidiaries' property or assets (which includes Capital Stock) securing Indebtedness without providing that the Notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

(b) Notwithstanding the foregoing, the Company may, and may permit any of its Subsidiaries to, create, incur or assume Liens securing Indebtedness without equally and ratably securing the Notes if, after giving effect to the creation, incurrence or assumption of such Liens and related transactions, the aggregate amount (without duplication) of the Indebtedness secured by Liens (other than Permitted Liens) on the property or assets (which includes Capital Stock) of the Company and its Subsidiaries shall not exceed the Permitted Amount at the time of the creation, incurrence or assumption of such Liens (it being understood that any outstanding Liens securing the GS V Notes shall be deemed to be incurred pursuant to this Section 4.07(b)).

SECTION 4.08. Offer to Repurchase Upon Change of Control Triggering Event. (a) If a Change of Control Triggering Event occurs with respect to the Notes, each Holder of Notes shall have the right to require the Company to repurchase all or any part, equal to \$2,000 or an integral multiple of \$1,000 thereafter, of such Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"). The offer price in any Change of Control Offer shall be payable in cash and shall be 101% of the aggregate principal amount of any Notes repurchased plus accrued and unpaid interest on the Notes, if any (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), to the date of purchase (the "**Change of Control Payment**"). Within 30 days following any Change of Control Triggering Event and subject to certain limitations described below, the Company shall send a notice to each Holder describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase Notes on the date specified in the notice (the "**Change of Control Payment Date**"). The Change of Control Payment Date shall be no earlier than 30 days and no later than 60 days from the date the notice is sent, pursuant to the procedures required by the Indenture and described in such notice.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of the Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered and not withdrawn; and

(iii) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of the Notes being purchased by the Company.

(c) The Paying Agent shall promptly send to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail, or cause to be transferred by book entry, to each Holder a new Note of the applicable series equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that the new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 thereafter. Any Note so accepted for payment shall cease to accrue interest on and after the Change of Control Payment Date.

(d) The Change of Control provisions described in this Section 4.08 shall be applicable whether or not any other provisions of the Indenture are applicable. The Company shall comply with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations to the extent those laws and regulations are applicable to any Change of Control Offer. If the provisions of any of the applicable securities laws or securities regulations conflict with the provisions of this Section 4.08, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue of the compliance.

(e) The Company shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer. In addition, notwithstanding the occurrence of a Change of Control Triggering Event, the Company shall not be obligated to make a Change of Control Offer in the event it has delivered a notice of redemption (which is or has become unconditional) with respect to all of the outstanding Notes as provided under Section 3.07. A Change of Control Offer may be made in advance of a Change of Control Triggering Event and conditioned upon such Change of Control Triggering Event if a definitive agreement is in place for the Change of Control Triggering Event at the time of making the Change of Control Offer. The provisions under the Indenture relating to the Company's obligation to make an offer to repurchase the Notes of a particular series as a result of a Change of Control Triggering Event may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes of such series then outstanding.

SUCCESSORS

SECTION 5.01. Merger, Consolidation or Sale of Assets. The Company shall not:

(i) consolidate or merge with or into (whether or not the Company is the surviving corporation);
or

(ii) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to,

another corporation, Person or entity, unless:

(1) either:

(a) the Company is the surviving corporation; or

(b) the entity or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which the sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a Person (which, if not a corporation, includes a corporate co-issuer) organized or existing under the laws of the United States, any state thereof or the District of Columbia;

(2) the entity or Person formed by or surviving any such consolidation or merger (if other than the Company) or the entity or Person to which the sale, assignment, transfer, lease, conveyance or other disposition shall have been made assumes all the obligations of the Company under the Notes and the Indenture pursuant to a supplemental indenture in a form reasonably satisfactory to the Trustee; and

(3) immediately after such transaction no Default or Event of Default shall have occurred and be continuing.

SECTION 5.02. Successor Corporation Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor corporation formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of the Indenture referring to the "Company" shall refer instead to the successor corporation and not to the Company), and may exercise every right and power of the Company under the Indenture with the same effect as if such successor Person had been named as the Company herein, and the predecessor Company, except in the case of a lease that meets the requirements of Section 5.01, shall be released from the obligation to pay the principal of and interest on the Notes.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. (a) Each of the following constitutes an “**Event of Default**” with respect to the applicable series of Notes:

- (i) default for 30 days in the payment when due of interest on the applicable series of Notes;
- (ii) default in payment when due of the principal of or premium, if any, on the applicable series of Notes;
- (iii) failure by the Company or any of its Subsidiaries to comply with the provisions in Section 5.01 or failure by the Company to consummate a Change of Control Offer in accordance with the provision of the Indenture applicable to such offer;

(iv) failure by the Company or any of its Subsidiaries for 60 days (or 120 days in the case of a failure to comply with the reporting obligations described under Section 4.03) after notice to comply with any of its other agreements in the Indenture or the applicable series of Notes;

(v) default under any Indebtedness for money borrowed by the Company or any of its Significant Subsidiaries, or the payment of which is Guaranteed by the Company or any of its Significant Subsidiaries, whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(a) is caused by a failure to pay principal of or premium, if any, or interest on the Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of the default (a “**Payment Default**”); or

(b) results in the acceleration of the Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$250 million or more;

(vi) failure by the Company or any of its Significant Subsidiaries to pay final judgments aggregating (net of amounts covered by insurance policies) in excess of \$250 million, which judgments are not paid, discharged or stayed for a period of 60 days;

- (vii) the Company or any of its Subsidiaries pursuant to or within the meaning of Bankruptcy Law:
 - (a) commences a voluntary case,
 - (b) consents to the entry of an order for relief against it in an involuntary case,
 - (c) consents to the appointment of a custodian of it or for all or substantially all of its property,
 - (d) makes a general assignment for the benefit of its creditors, or
 - (e) generally is not paying its debts as they become due; or
- (viii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (a) is for relief against the Company or any of its Subsidiaries in an involuntary case;
 - (b) appoints a custodian of the Company or any of its Subsidiaries or for all or substantially all of the property of the Company or any of its Subsidiaries; or
 - (c) orders the liquidation of the Company or any of its Subsidiaries;

and the order or decree remains unstayed and in effect for 60 consecutive days.

(b) A Default under Section 6.01(a)(iv) shall not constitute an Event of Default for a series of Notes until the Trustee or the Holders of 25% in principal amount of the then-outstanding Notes of such series notify the Company of the Default and the Company does not cure such Default within the time specified after receipt of such notice.

SECTION 6.02. Acceleration. If any Event of Default occurs and is continuing with respect to a series of Notes, the Trustee or the Holders of at least 25% in principal amount of the then-outstanding Notes of such series may declare all Notes of such series to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default with respect to a series of Notes arising from Section 6.01(a)(vii) or Section 6.01(a)(viii), with respect to the Company, all outstanding Notes of such series shall be due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then-outstanding Notes of a series may direct the Trustee in its exercise of any trust or power with respect to such series of Notes.

SECTION 6.03. Other Remedies. (a) If an Event of Default occurs and is continuing with respect to a series of Notes, the Trustee may pursue any available remedy to collect the payment of principal of, premium, if any, and interest on such series of Notes or to enforce the performance of any provision of such Notes or the Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the series of Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of such Notes in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Holders of a majority in aggregate principal amount of the then-outstanding Notes of a series by notice to the Trustee may, on behalf of the Holders of all such Notes of such series, waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of the interest on, or the principal of, such Notes (including in connection with a Change of Control Offer) (*provided, however*, that the Holders of a majority in aggregate principal amount of the then-outstanding Notes of a series may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then-outstanding Notes of a series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes of such series or that may involve the Trustee in personal liability. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits. (a) A Holder of a Note of a series may pursue a remedy with respect to the Indenture or such Notes only if:

- (i) the Holder of a Note of such series gives to the Trustee written notice of a continuing Event of Default;
- (ii) the Holders of at least 25% in principal amount of the then-outstanding Notes of such series make a written request to the Trustee to pursue the remedy;
- (iii) such Holders of Notes of such series offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and

(v) during such 60-day period the Holders of a majority in principal amount of the then-outstanding Notes of such series do not give the Trustee a direction inconsistent with the request.

(b) A Holder of a Note of a series may not use the Indenture to prejudice the rights of another Holder of a Note of such series or to obtain a preference or priority over another Holder of a Note of such series.

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of the Indenture, the right of any Holder of a Note of a series to receive payment of principal of, premium, if any, and interest on such Note, on or after the respective due dates expressed in such Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a)(i) or Section 6.01(a)(ii) occurs and is continuing with respect to a series of Notes, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes of such series and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any

Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities. (a) If the Trustee collects any money pursuant to this Article 6 with respect to Notes of a series, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes of such series for amounts due and unpaid on the Notes of such series for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes of such series for principal, premium, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

(b) The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under the Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then-outstanding Notes of a series.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee. (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by the Indenture, and use the same degree of care and skill in its exercise thereof as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Indenture, as modified or supplemented by a supplemental indenture, if any, and no implied covenants or obligations shall be read into the Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of the Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of the Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of Section 7.01(b);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of the Indenture that in any way relates to the Trustee is subject to Section 7.01(a), (b), (c) and (g).

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of the Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(h) Every provision of the Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and to the provisions of the TIA.

(i) The Trustee shall not be deemed to have notice of a Default unless a Responsible Officer responsible for administration of the Indenture has received written notice thereof.

SECTION 7.02. Rights of Trustee. (a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents or attorneys and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to the Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document.

(g) The Trustee shall not be deemed to have notice or charged with knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received from the Company or any Holders by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and the Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by the Indenture at the request or direction of any of the Holders pursuant to the Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by the Trustee in compliance with such request or direction.

(j) The Trustee may from time to time request that the Company deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to the Indenture, which Officers' Certificate may be signed by any persons authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The permissive right of the Trustee to take any action under the Indenture shall not be construed as a duty to so act.

(l) In no event shall the Trustee be responsible or liable for any special, indirect or consequential loss or damage of any kind whatsoever (including loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of the Notes of a series and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 and Section 7.11.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of the Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, it will not be responsible for the use or application of any money received by any Paying Agent (other than itself as Paying Agent), and it shall not be responsible for any statement in the Indenture, in the Notes, or in any document executed in connection with the sale of the Notes, other than those set forth in the Trustee's certificate of authentication.

SECTION 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing with respect to a series of Notes and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall send to each Holder of Notes of such series a notice of the Default within 90 days after it occurs. Except in the case of a Default or an Event of Default in the payment of principal or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers determines in good faith that withholding the notice is in the interests of Holders of such Notes.

SECTION 7.06. Reports by Trustee to Holders. (a) Within 60 days after each October 15, beginning with the first October 15 after the date hereof, for so long as the Notes remain outstanding, the Trustee shall send to the Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the 12 months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b). The Trustee shall also transmit all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its sending to the Holders shall be sent to the Company and filed with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee when the Notes are listed on any stock exchange.

SECTION 7.07. Compensation and Indemnity. (a) The Company shall pay to the Trustee from time to time such compensation for its services as the Company and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of

collection, costs of preparation and mailing of notices to Holders and reasonable costs of counsel retained by the Trustee in connection with the delivery of an Opinion of Counsel or otherwise in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company shall indemnify the Trustee (including its directors, officers, employees and agents) against any and all loss, liability or expense (including reasonable attorneys' fees and disbursements) incurred by or in connection with the administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing the Indenture (including this Section 7.07) and of defending itself against any claims (whether asserted by any Holder, the Company or otherwise). The Trustee shall notify the Company of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided, however*, that any failure so to notify the Company shall not relieve the Company of its indemnity obligations hereunder. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or bad faith, as determined in a final non-appealable order of a court of competent jurisdiction.

(b) To secure the Company's payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay the principal of and interest and any liquidated damages on the Notes.

(c) The Company's payment obligations pursuant to this Section 7.07 shall survive the satisfaction or discharge of the Indenture, any rejection or termination of the Indenture under any bankruptcy law or the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(a)(vii) or Section 6.01(a)(viii), the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.08. Replacement of Trustee. (a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign at any time by so notifying the Company. The Holders of a majority in principal amount of the then-outstanding Notes may remove the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (iii) a Custodian or public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(c) If the Trustee resigns, is removed by the Company or by the Holders of a majority in principal amount of the then-outstanding Notes and such Holders do not reasonably promptly appoint a successor Trustee or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then-outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under the Indenture. The successor Trustee shall send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

(e) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of then-outstanding Notes may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Trustee.

(f) If the Trustee fails to comply with Section 7.10, after written notice hereto, the Holders of at least 10% in principal amount of the Notes may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(g) Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by the Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and if at that time any of the Notes shall not have been authenticated, any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in the Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. (a) The Trustee shall at all times satisfy the requirements of TIA §310(a). The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition. The Trustee shall comply with TIA §310(b); *provided, however*, that there shall be excluded from the operation of TIA §310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA §310(b)(1) are met.

(b) The Indenture shall always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5).

SECTION 7.11. Preferential Collection of Claims Against Company. The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Company may, at the option of the Board of Directors evidenced by a Board Resolution set forth in an Officers' Certificate, at any time, elect to have either Section 8.02 or 8.03 be applied to all outstanding Notes of a series upon compliance with the conditions set forth below in this Article 8.

SECTION 8.02. Legal Defeasance and Discharge. (a) Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.02, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from its obligations with respect to all outstanding Notes of a series on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes of a series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of the Indenture referred to in (i) and (ii) below, and to have satisfied all its other obligations under such Notes and the Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (i) the rights of Holders of the applicable series of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on such series of Notes when such payments are due from the trust referred to below;
- (ii) the Company's obligations with respect to such series of Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (iii) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and
- (iv) the Legal Defeasance provisions of the Indenture.

(b) Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

SECTION 8.03. Covenant Defeasance. Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from its obligations under the covenants contained in Sections 4.03, 4.07 and 4.08 with respect to the outstanding Notes of a series on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "**Covenant Defeasance**"), and such Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes of a series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of the Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Section 6.01(a)(iii) through Section 6.01(a)(vi) shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. (a) The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Notes of a series:

(i) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the applicable series of Notes, cash in United States Dollars, non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on such outstanding series of Notes on the stated maturity or on the redemption date, as the case may be, and the Company must specify whether the series of Notes is being defeased to maturity or to a particular redemption date;

(ii) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that:

(a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(b) since the date hereof, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the applicable series of outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(iii) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel of a nationally recognized law firm in the United States confirming that the Holders of the applicable series of outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(iv) no Default or Event of Default shall have occurred and be continuing with respect to the applicable series of outstanding Notes either:

(a) on the date of such deposit, other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit; or

(b) insofar as Events of Default from bankruptcy or insolvency events with respect to the Company are concerned, at any time in the period ending on the 91st day after the date of deposit;

(v) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument, other than the Indenture with respect to the applicable series of outstanding Notes, to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(vi) the Company must have delivered to the Trustee an Opinion of Counsel to the effect that after the 91st day following the deposit, the trust funds shall not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(vii) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of the applicable series of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others; and

(viii) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance with respect to the applicable series of Notes have been complied with.

SECTION 8.05. Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions. (a) Subject to Section 8.06, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes of a series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and the Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes of the applicable series.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Company. Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under the Indenture and the Notes of the applicable series shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Company makes

any payment of principal of, premium, if any, or interest on any Note of a series following the reinstatement of its obligations with respect to such series, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders. (a) Notwithstanding Section 9.02, the Company and the Trustee may amend or supplement (x) the Indenture with respect to a series of Notes or (y) a series of Notes, in each case without the consent of any Holder of such Notes to:

- (i) cure any ambiguity, omission, defect or inconsistency;
- (ii) provide for uncertificated Notes in addition to or in place of Certificated Notes;
- (iii) provide for the assumption of the Company's obligations to Holders in the case of a merger or consolidation;
- (iv) make any change that would provide any additional rights or benefits to the Holders of such series of Notes or that does not adversely affect the legal rights under the Indenture of any such Holder of such series of Notes in any material respect;
- (v) comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; or
- (vi) conform a provision of the Base Indenture or this Supplemental Indenture to the extent such provision was intended to be a substantially verbatim recitation of the applicable provision under the caption "Description of Notes" in the Prospectus.

For the avoidance of doubt, nothing in this Supplemental Indenture shall be construed to require any consent of any Holder of a series of Notes to amend or supplement the Base Indenture (or this Supplemental Indenture) in any manner that does not relate to such series of Notes.

(b) Upon the request of the Company accompanied by a Board Resolution authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02, the Trustee shall join with the Company in the execution of any amended or supplemental indenture authorized or permitted by the terms of the Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under the Indenture or otherwise.

SECTION 9.02. With Consent of Holders. (a) Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement (x) the Indenture with respect to a series of Notes (including Section 4.08) or (y) a series of Notes, in each case with the consent of the Holders of at least a majority in principal amount of the Notes of such series then outstanding, voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, such series of Notes), and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on such Notes, except a Payment Default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture or such Notes may be waived with the consent of the Holders of a majority in principal amount of the then-outstanding Notes of such series, voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, such series of Notes). Section 2.09 shall determine which such Notes are considered to be “outstanding” for purposes of this Section 9.02.

(b) Upon the request of the Company accompanied by a Board Resolution authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of the applicable series of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, the Trustee shall join with the Company in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under the Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders of the applicable series of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall send to the Holders of the applicable series of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the Notes of the applicable series then outstanding, voting as a single class, may waive compliance in a particular instance by the Company with any provision of the Indenture or the applicable series of Notes. However, without the consent of each Holder of an outstanding Note of a series affected, an amendment or waiver under this Section 9.02 or otherwise may not (with respect to any Notes of the applicable series held by a non-consenting Holder):

(i) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the principal of or change the fixed maturity of any such Note or alter the provisions with respect to the redemption (other than the notice

period), but not any required repurchase in connection with a Change of Control Offer, of the applicable series of such Notes;

(iii) reduce the rate of or extend the time for payment of interest on any such Note;

(iv) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on such Notes, excluding a rescission of acceleration of a series of Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the Payment Default that resulted from such acceleration;

(v) make any such Note payable in money other than that stated in the applicable series of Notes;

(vi) make any change in the provisions of the Indenture relating to waivers of past Defaults or Events of Default or the rights of Holders to receive payments of principal of or premium, if any, or interest on the applicable series of Notes;

(vii) waive a redemption payment, but not any payment upon a required repurchase in connection with a Change of Control Offer, with respect to any such Note; or

(viii) make any change in the foregoing amendment and waiver provisions.

SECTION 9.03. Compliance with Trust Indenture Act. Every amendment or supplement to the Indenture or the applicable series of Notes shall be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

SECTION 9.05. Notation on or Exchange of Notes. (a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all of the Notes of a series may issue and the Trustee shall, upon receipt of a Company Order, authenticate new Notes of such series that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, etc. The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee shall be entitled to receive and (subject to Section 7.01) shall be fully protected in relying upon an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by the Indenture.

ARTICLE 10

SATISFACTION AND DISCHARGE

SECTION 10.01. Satisfaction and Discharge. (a) The Indenture will be discharged and will cease to be of further effect with respect to a series of Notes issued hereunder, when:

(i) either:

(a) all Notes of such series that have been authenticated, except lost, stolen or destroyed Notes of such series that have been replaced or paid and Notes of such series for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(b) all Notes of such series that have not been delivered to the Trustee for cancellation have become due and payable by reason of the sending of a notice of redemption or otherwise, or are by their terms to become due and payable within one year or are to be called for redemption within one year, and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of such Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire principal and premium, if any, and accrued interest to the date of maturity or redemption on all the Notes of the applicable series not delivered to the Trustee for cancellation;

(ii) the Company has paid or caused to be paid all sums payable by it under the Indenture; and

(iii) the Company has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of the applicable series of Notes at maturity or on the redemption date, as the case may be.

(b) In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge with respect to the applicable series of Notes have been satisfied.

(f) If the Company mails or sends a notice or communication to Holders, it shall mail or send a copy to the Trustee and each Agent at the same time.

(g) The Trustee agrees to accept and act upon instructions or directions pursuant to the Indenture sent by unsecured electronic mail, facsimile transmission or other similar unsecured electronic methods. If the party elects to give the Trustee electronic mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee acts upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding that such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(h) Notwithstanding anything to the contrary contained herein, as long as the Notes of a series are in the form of a Global Note, notice to the Holders of such series may be made electronically in accordance with procedures of the Depository.

SECTION 11.03. Communication by Holders with Other Holders. Holders may communicate pursuant to TIA § 312(b) with other Holders with respect to their rights under the Indenture or the Notes. The Company, the Trustee, the Registrar and anyone else shall have the protection of TIA § 312(c).

SECTION 11.04. Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Company to the Trustee to take any action under the Indenture, the Company shall furnish to the Trustee:

(i) an Officers' Certificate in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 11.05) stating that, in the opinion of the signers, all conditions precedent and

covenants, if any, provided for in the Indenture relating to the proposed action that are required to be satisfied as of the date thereof have been satisfied; and

(ii) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 11.05) stating that, in the opinion of such counsel, all such conditions precedent and covenants that are required to have been satisfied as of the date thereof have been satisfied.

SECTION 11.05. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a condition or covenant provided for in the Indenture (other than a certificate provided pursuant to TIA § 314(a)(4)) shall comply with the provisions of TIA § 314(e) and shall include:

(i) a statement that the Person making such certificate or opinion has read such covenant or condition that is required to have been satisfied as of the date thereof;

(ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

SECTION 11.06. Rules by Trustee and Agents. The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions; *provided* that no such rule shall conflict with the terms of the Indenture or the TIA.

SECTION 11.07. No Personal Liability of Directors, Officers, Employees and Stockholders. No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. A-1-4

1. Notes.

This Note is one of a duly authorized issue of senior notes of the Company, issued and to be issued in one or more series under the Ninth Supplemental Indenture, dated as of August 1, 2017 (the “**Supplemental Indenture**”), to the Indenture dated as of April 15, 2014 (as amended and supplemented by the Second Supplemental Indenture dated as of December 15, 2014 (the “**Second Supplemental Indenture**”), the “**Base Indenture**” and, together with the Supplemental Indenture, the “**Indenture**”) between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (herein called the “**Trustee**,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, and the Holders and of the terms upon which the Notes (as defined below) are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof as “3.200% Senior Notes due 2024” (herein called the “**Notes**”), issued in an initial aggregate principal amount of \$750,000,000. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. No Sinking Fund.

No sinking fund is provided for the Notes.

3. Optional Redemption.

(a) At the Company’s option, the Company may redeem the Notes at any time in whole or in part. If the Company elects to redeem the Notes prior to July 1, 2024, the Company will pay a redemption price equal to the greater of the following amounts, plus, in each case, accrued and unpaid interest thereon to but excluding the redemption date: (1) 100% of the aggregate principal amount of the Notes to be redeemed or (2) the sum of the present values of the applicable Remaining Scheduled Payments of the Notes being redeemed. In determining the present values of the Remaining Scheduled Payments of the Notes being redeemed, the Company will discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 20 basis points.

(b) If the Company elects to redeem the Notes on or after July 1, 2024, the Company will pay a redemption price equal to 100% of the aggregate principal amount of the applicable Notes to be redeemed plus accrued and unpaid interest thereon to but excluding the redemption date.

4. Selection and Notice of Redemption.

(a) If less than all the Notes are to be redeemed at any time, such Notes to be redeemed will be selected in accordance with the procedures of the Depository.

(b) No Notes of \$2,000 of principal amount or less will be redeemed in part. Notice of redemption will be sent by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. Notice of

redemption may be conditional and, at the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied.

5. Special Mandatory Redemption.

The Indenture provides that upon the occurrence of a Special Mandatory Redemption Event, the Company will redeem the Notes upon the terms and subject to the conditions set forth in Section 3.08 of the Indenture. The Indenture provides that the Company will cause the notice of redemption pursuant to Section 3.08 of the Indenture to be sent, with a copy to the Trustee, within five Business Days after the occurrence of a Special Mandatory Redemption Event to each Holder.

6. Repurchase at Option of Holder.

(a) If a Change of Control Triggering Event occurs with respect to the Notes, each Holder of Notes shall have the right to require the Company to repurchase all or any part, equal to \$2,000 or an integral multiple of \$1,000 thereafter, of such Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"). The offer price in any Change of Control Offer shall be payable in cash and will be 101% of the aggregate principal amount of any Notes repurchased plus accrued and unpaid interest on the Notes, if any (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), to the date of purchase (the "**Change of Control Payment**"). Within 30 days following any Change of Control Triggering Event and subject to certain limitations described below, the Company shall send a notice to each Holder describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase Notes on the date specified in the notice (the "**Change of Control Payment Date**"). The Change of Control Payment Date shall be no earlier than 30 days and no later than 60 days from the date the notice is sent, pursuant to the procedures required by the Indenture and described in such notice.

7. Acceleration Upon Event of Default.

(a) If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then-outstanding Notes may declare all such Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from Section 6.01(a)(vii) or Section 6.01(a)(viii) of the Indenture, with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

(b) The Holders of a majority in aggregate principal amount of the then-outstanding Notes by notice to the Trustee may, on behalf of the Holders of all Notes, waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of the interest on, or the principal of, the Notes (including in connection with a Change of Control Offer) (*provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an

acceleration and its consequences, including any related payment default that resulted from such acceleration).

(c) The Indenture provides that if a Default or Event of Default occurs and is continuing with respect to the Notes and is known to the Trustee, the Trustee must send to each Holder notice of the Default within 90 days after it occurs. Except in the case of a Default or Event of Default in the payment of principal of or interest on any Note, the Trustee may withhold notice if and so long as a committee of its trust officers determines in good faith that withholding notice is in the interest of the Holders. In addition, the Company is required to deliver to the Trustee, within 90 days after the end of each Fiscal Year, an Officers' Certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Company is also required to deliver to the Trustee, promptly after the occurrence thereof, written notice of any event that would constitute a Default or Event of Default, the status thereof and what action the Company is taking or proposes to take in respect thereof.

8. Amendment and Modification.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Notes at the time outstanding. The Indenture also contains provisions permitting the Holders of not less than a majority in principal amount of the Notes at the time outstanding, on behalf of the Holders of all the Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past Defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note or such other Note.

9. No Impairment of Obligation to Pay or Right to Convert.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed or to convert this Note as provided in the Indenture.

10. Transfer and Exchange.

As provided in the Indenture and subject to certain limitations set forth therein, the Notes shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar with a request to register a transfer, the Registrar will register the transfer as requested if the requirements of the Indenture are satisfied. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the requirements of the Indenture are met. To permit registration of transfers and exchanges, the Company will execute and the Trustee will authenticate Notes at the Registrar's request.

11. No Service Charge.

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Registrar may require payment by the Holder of a sum sufficient to pay all taxes, assessments or other governmental charges in connection therewith.

12. Treatment as Owner.

Prior to the due presentation of this Note for registration of transfer, the Company, the Trustee, the Paying Agent or the Registrar may deem and treat the Person in whose name this Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and (subject to the provisions with respect to record dates) interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

13. No Liability.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

14. Governing Law.

THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUCT THE INDENTURE AND THE NOTES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

1. Notes.

This Note is one of a duly authorized issue of senior notes of the Company, issued and to be issued in one or more series under the Ninth Supplemental Indenture, dated as of August 1, 2017 (the “**Supplemental Indenture**”), to the Indenture dated as of April 15, 2014 (as amended and supplemented by the Second Supplemental Indenture dated as of December 15, 2014 (the “**Second Supplemental Indenture**”), the “**Base Indenture**” and, together with the Supplemental Indenture, the “**Indenture**”) between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (herein called the “**Trustee**,” which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, and the Holders and of the terms upon which the Notes (as defined below) are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof as “3.650% Senior Notes due 2027” (herein called the “**Notes**”), issued in an initial aggregate principal amount of \$1,000,000,000. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. No Sinking Fund.

No sinking fund is provided for the Notes.

3. Optional Redemption.

(a) At the Company’s option, the Company may redeem the Notes at any time in whole or in part. If the Company elects to redeem the Notes prior to June 1, 2027, the Company will pay a redemption price equal to the greater of the following amounts, plus, in each case, accrued and unpaid interest thereon to but excluding the redemption date: (1) 100% of the aggregate principal amount of the Notes to be redeemed or (2) the sum of the present values of the applicable Remaining Scheduled Payments of the Notes being redeemed. In determining the present values of the Remaining Scheduled Payments of the Notes being redeemed, the Company will discount such payments to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 20 basis points.

(b) If the Company elects to redeem the Notes on or after June 1, 2027, the Company will pay a redemption price equal to 100% of the aggregate principal amount of the applicable Notes to be redeemed plus accrued and unpaid interest thereon to but excluding the redemption date.

4. Selection and Notice of Redemption.

(a) If less than all the Notes are to be redeemed at any time, such Notes to be redeemed will be selected in accordance with the procedures of the Depositary.

(b) No Notes of \$2,000 of principal amount or less will be redeemed in part. Notice of redemption will be sent by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. Notice of

redemption may be conditional and, at the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied.

5. Special Mandatory Redemption.

The Indenture provides that upon the occurrence of a Special Mandatory Redemption Event, the Company will redeem the Notes upon the terms and subject to the conditions set forth in Section 3.08 of the Indenture. The Indenture provides that the Company will cause the notice of redemption pursuant to Section 3.08 of the Indenture to be sent, with a copy to the Trustee, within five Business Days after the occurrence of a Special Mandatory Redemption Event to each Holder.

6. Repurchase at Option of Holder.

(a) If a Change of Control Triggering Event occurs with respect to the Notes, each Holder of Notes shall have the right to require the Company to repurchase all or any part, equal to \$2,000 or an integral multiple of \$1,000 thereafter, of such Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"). The offer price in any Change of Control Offer shall be payable in cash and will be 101% of the aggregate principal amount of any Notes repurchased plus accrued and unpaid interest on the Notes, if any (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), to the date of purchase (the "**Change of Control Payment**"). Within 30 days following any Change of Control Triggering Event and subject to certain limitations described below, the Company shall send a notice to each Holder describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase Notes on the date specified in the notice (the "**Change of Control Payment Date**"). 7. Acceleration Upon Event of Default.

(a) If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then-outstanding Notes may declare all such Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from Section 6.01(a)(vii) or Section 6.01(a)(viii) of the Indenture, with respect to the Company, all outstanding Notes will become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power.

(b) The Holders of a majority in aggregate principal amount of the then-outstanding Notes by notice to the Trustee may, on behalf of the Holders of all Notes, waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of the interest on, or the principal of, the Notes (including in connection with a Change of Control Offer) (*provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an

acceleration and its consequences, including any related payment default that resulted from such acceleration).

(c) The Indenture provides that if a Default or Event of Default occurs and is continuing with respect to the Notes and is known to the Trustee, the Trustee must send to each Holder notice of the Default within 90 days after it occurs. Except in the case of a Default or Event of Default in the payment of principal of or interest on any Note, the Trustee may withhold notice if and so long as a committee of its trust officers determines in good faith that withholding notice is in the interest of the Holders. In addition, the Company is required to deliver to the Trustee, within 90 days after the end of each Fiscal Year, an Officers' Certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Company is also required to deliver to the Trustee, promptly after the occurrence thereof, written notice of any event that would constitute a Default or Event of Default, the status thereof and what action the Company is taking or proposes to take in respect thereof.

8. Amendment and Modification.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Notes at the time outstanding. The Indenture also contains provisions permitting the Holders of not less than a majority in principal amount of the Notes at the time outstanding, on behalf of the Holders of all the Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past Defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note or such other Note.

9. No Impairment of Obligation to Pay or Right to Convert.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed or to convert this Note as provided in the Indenture.

10. Transfer and Exchange.

As provided in the Indenture and subject to certain limitations set forth therein, the Notes shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar with a request to register a transfer, the Registrar will register the transfer as requested if the requirements of the Indenture are satisfied. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the requirements of the Indenture are met. To permit registration of transfers and exchanges, the Company will execute and the Trustee will authenticate Notes at the Registrar's request.

11. No Service Charge.

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Registrar may require payment by the Holder of a sum sufficient to pay all taxes, assessments or other governmental charges in connection therewith.

12. Treatment as Owner.

Prior to the due presentation of this Note for registration of transfer, the Company, the Trustee, the Paying Agent or the Registrar may deem and treat the Person in whose name this Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and (subject to the provisions with respect to record dates) interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

13. No Liability.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

14. Governing Law.

THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THE NOTES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Ladies and Gentlemen:

We have acted as counsel to Crown Castle International Corp., a Delaware corporation (the "Company"), in connection with the Prospectus Supplement, dated July 25, 2017 (the "Prospectus Supplement"), of the Company, filed with the Commission and relating to the issuance and sale by the Company of \$750,000,000 aggregate principal amount of the Company's 3.200% Senior Notes due 2024 and \$1,000,000,000 aggregate principal amount of the Company's 3.650% Senior Notes due 2027 (together, the "Notes"). The Notes will be issued under the indenture dated as of April 15, 2014 (the "Base Indenture"), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), as supplemented by the Second Supplemental Indenture dated as of December 15, 2014 (the "Second Supplemental Indenture"), between the Company and the Trustee, and the Ninth Supplemental Indenture dated as of August 1, 2017 (the "Ninth Supplemental Indenture" and, together with the Base Indenture and the Second Supplemental Indenture, the "Indenture"), between the Company and the Trustee, in accordance with the Underwriting Agreement, dated July 25, 2017 (the "Underwriting Agreement"), among Morgan Stanley & Co. LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., Mizuho Securities USA LLC and RBC Capital Markets, LLC, as Representatives of the several Underwriters listed on Schedule I thereto (the "Underwriters"), and the Company.

In that connection, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments as we have deemed necessary or appropriate for the purposes of this opinion, including: (a) the Restated Certificate of Incorporation of the Company; (b) the Amended and Restated By-laws of the Company; (c) the resolutions adopted by the Board of Directors of the Company on February 20, 2014 and November 4, 2014; (d) the resolutions adopted by the Board of Directors of the Company on July 11, 2017 and July

16, 2017; (e) the Registration Statement; and (f) the Indenture and the forms of Notes included therein. As to various questions of fact material to this opinion, we have relied upon representations of officers or directors of the Company and documents furnished to us by the Company without independent verification of their accuracy.

In rendering this opinion, we have assumed, with your consent and without independent investigation or verification, (a) the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to authentic original documents of all documents submitted to us as duplicates or copies and (b) that the Indenture has been duly authorized, executed and delivered by, and represents a legal, valid and binding obligation of, the Trustee.

Based on the foregoing and subject to the qualifications set forth herein and subject to compliance with applicable state securities laws, we are of opinion that the Notes, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to the Underwriting Agreement, and assuming due authentication of the Notes by the Trustee, will constitute legal, valid and binding obligations of the Company entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms (subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other similar laws affecting creditors' rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law).

We are admitted to practice in the State of New York, and we express no opinion as to matters governed by any laws other than the laws of the State of New York, the General Corporation Law of the State of Delaware and the Federal laws of the United States of America.

We are aware that we are referred to under the heading "Validity of the Notes" in the Prospectus Supplement. We hereby consent to such use of our name therein and to the filing of this opinion as Exhibit 5.1 to the Company's Current Report on Form 8-K filed on August 1, 2017, and to the incorporation by reference of this opinion into the Registration Statement.
