We expect to deliver the Notes against payment for the Notes on the eighth business day following the pricing of the Notes ("T+8"). Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in three business days, unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes on the date of pricing or the next four succeeding business days will be required, by virtue of the fact that the Notes initially will settle in T+8, to specify alternative settlement arrangements to prevent a failed settlement.

Use of Proceeds: We expect to receive net proceeds of approximately \$692.6 million from the sale of the Notes to the underwriters, after deducting the estimated underwriting discount and estimated offering expenses payable by us.

We intend to use the net proceeds from this offering to repay in full the 2.381% Senior Secured Notes due 2017 issued by CC Holdings GS V LLC, our indirect wholly owned subsidiary, and a subsidiary thereof as co-issuer, and to repay a portion of the outstanding borrowings under our Revolver.

Certain of the underwriters or their respective affiliates are lenders under the Revolver and affiliates of certain underwriters serve other roles under the Revolver. As a result, certain of the underwriters or their affiliates expect to receive a portion of the net proceeds from this offering to the extent used to repay the Revolver.
